EXECUTIVE SUMMARY

City Council approved a bid award in 2009, for the 2009-2010 fiscal year, for the purchase of traffic sign materials, pursuant to the specifications of Bid #0609-43, to the low bidder, Smith Municipal Signs. The bid specifications called for fixed unit costs for a period of one (1) year, with two (2) additional one (1) year renewals available upon the mutual agreement of both parties, and the approval of City Council. The specifications allowed the contractor the opportunity to request a price increase at any renewal of up to a limit of the rate of increase in the Consumer Price Index for the Houston-Galveston-Brazoria region during the prior 12 month period.

The company has provided traffic sign materials to the City for the past two years, with the Public Works Department reporting a high degree of satisfaction with both the quality of the materials supplied and the performance of the awarded vendor. Smith Municipal Signs has agreed to hold last year's pricing with no increase, as reflected below:
