I, Judy Brown, Planning Office Coordinator of the City of Pearland, Texas, do hereby certify that the foregoing agenda was posted in a place convenient to the general public at City Hall on the 13th day of April 2012, A.D., at 5:30 p.m.

Judy Brown, Planning Office Coordinator

Agenda removed _____ day of April, 2012.

APPROVAL

OF

MINUTES

MINUTES OF THE REGULAR MEETING OF THE PLANNING & ZONING COMMISSION OF THE CITY OF PEARLAND, TEXAS, HELD ON MONDAY, APRIL 2, 2012, AT 6:00 P.M., COUNCIL CHAMBERS, CITY HALL 3519 LIBERTY DRIVE, PEARLAND, TEXAS.

CALL TO ORDER

P&Z Chairperson Jerry Koza, Jr. called the meeting to order at 6:06 p.m. with the following present:

P&Z Chairperson Jerry Koza, Jr.
P&Z Vice-Chairperson Richard Golden
P&Z Commissioner Henry Fuertes
P&Z Commissioner Neil West
P&Z Commissioner Ginger McFadden

Also in attendance were Planning Director Lata Krishnarao, Planner II Evan DuVall, Planner I Ian Clowes, Deputy City Attorney Nghiem Doan and Planning Office Coordinator Judy Brown.

APPROVAL OF MINUTES

P&Z Commissioner Henry Fuertes made the motion to approve the minutes of March 19, 2012, and P&Z Vice-Chairperson Richard Golden seconded.

The vote was 5-0. The Minutes of the Regular P&Z Meeting of March 19, 2012 were approved.

EXCUSE ABSENCE

P&Z Vice-Chairperson Richard Golden made the motion to excuse the absence of P&Z Commissioner Phil Cessac on March 19, 2012, and P&Z Commissioner Henry Fuertes seconded.

The vote was 5-0. The absence of P&Z Commissioner Phil Cessac was excused for March 19, 2012.

NEW BUSINESS

CONSIDERATION & POSSIBLE ACTION – FINAL PLAT OF EAGLE LANDING

A request by Arrow Surveying, applicant, on behalf of Erica Stephens, owner, for approval of a Final Plat of the Eagle Landing Subdivision, generally located on the northwest corner of Hawk Road and Hillhouse Road, for approximately 3.2533 acres on the following described property, to wit:

Legal Description: Being a tract of land containing 3.2533-acres (141,715 square feet) out of tract 18 of the Allison-Richey Gulf Coast Home Company's Subdivisions Section 20, situated in the H.T & B.R. CO survey, A-506 in Brazoria County, Texas as recorded in Volume 2, page 23 of the plat records of Brazoria County, Texas and also being described as a 3.25-acre tract as conveyed unto Martha Lane Grayner and Lonnie W. Butler, Jr. as recorded in county clerks file No. 94-003918, O.P.R.R.P.H.C. of Brazoria County, Texas.

P&Z Commissioner Henry Fuertes made the motion to approve, and P&Z Vice-Chairperson Henry Fuertes seconded.

Planner II Evan DuVall read the staff report and stated there were no outstanding items.

The vote was 5-0. The Final Plat of Eagle Landing was approved.

DISCUSSION ITEMS

Under the Commissioners Activity Report, there was no discussion.

Planner I Ian Clowes introduced the CEO of the Pearland Chamber of Commerce, Carol Artz-Bucek. Mr. Clowes explained that one of the goals set under the P&Z Strategic Priorities was Communication. Mrs. Carol Artz-Bucek spoke of the relationship the Chamber of Commerce has with the City and their relationship with businesses, especially small business owners. Planning Director Lata Krishnarao also spoke, praising the relationship with the Chamber of Commerce and how their communication has bridged a gap between the City and the business owners.

The next Joint Public Hearing and P&Z Regular Meeting will be April 16, 2012.

ADJOURNMENT

P&Z Chairperson Jerry Koza, Jr. adjourned the P&Z Regular Meeting at 6:33 p.m.

These minutes are respectfully submitted by:

Judy Brown, Planning Office Coordinator

Minutes approved as submitted and/or corrected on this 16th day of April 2012, A.D.

P&Z Chairperson Jerry Koza, Jr.

JOINT PUBLIC HEARING AGENDA ITEM MEETING OF APRIL 16, 2012

Conditional Use Permit No. CUP 2012-02

A the request of Terri Lera, applicant, on behalf of Lee Menta, owner for approval of a Conditional Use Permit to expand the floor area of an existing structure in the General Commercial (GC) District, on the following described property, to wit:

Legal Description: 18.5436 Acre (807,759 SQ. FT.) Tract of Land being out of Lot 51 and Lot 53 of the Allison-Richey Gulf Coast Home Company, Section 6, recorded in Vol. 135, PG. 501 H.C.D.R., located in the H.T. & B.R.R. Co. Survey, A-544, City of Pearland, Brazoria County, Texas

General Location: 5719 Broadway, Pearland, TX
Strickland Chevrolet

APPROVAL PROCESS: After this Joint Public Hearing, the requested Conditional Use Permit application will be considered as follows:

Planning and Zoning Commission: April 16, 2012*

City Council for First Reading: May 14, 2012*

City Council for Second Reading: May 21, 2012*

(*dates subject to change)

SUMMARY: Terri Lera, applicant on behalf of Lee Menta/Strickland Chevrolet, owner, is requesting approval of a Conditional Use Permit to expand their existing facility at the above referenced location. Specifically, the applicant would like to expand the floor area of their existing used car facility. The existing use, an Auto Sales/Dealer facility is permitted in the General Commercial (GC) zoning district, which is the current zoning district for the property. The site improvement/expansion, as it will result in an increase of over 500 square feet of structure to the property, triggers full site compliance, as required by the Unified Development Code. The site requirements not able to be met due to site restrictions or other constraints as explained by the applicant are listed

below:

- 30' front landscaped setback area along Broadway
- Existing perimeter fencing material along Broadway

These requirements can be waived or reduced by City Council with the approval of a Conditional Use Permit.

If the Conditional Use Permit is approved, the site plan process will commence with the Planning and Building departments. A Pre-development meeting was held between staff and the property owner to discuss the City's current regulations for development which will be required, unless waived by City Council with a Conditional Use Permit, to be met for this property when redeveloped/expanded.

SURROUNDING ZONING AND LAND USES:

	<u>Zoning</u>	<u>Land Use</u>
North	General Commercial (GC)	Residential Home
South	General Commercial (GC) and Manufactured Home Park (MH)	Commercial/Mobile Home Park
East	General Commercial (GC)	Commercial
West	General Commercial (GC)	Commercial

CONFORMANCE WITH THE UNIFIED DEVELOPMENT CODE (UDC): As previously mentioned, the property is currently zoned General Commercial (GC). A breakdown between those lot and development requirements and the site current configuration is provided below:

	<u>General Commercial</u>	<u>Existing Site</u>
Lot Size:	22,500 sq ft	807,759 sq ft
Lot Width:	150'	965.11'
Lot Depth:	125'	818.19'
Front Setback:	25'	100.3'
Rear Setback:	25'	310'
Side Setback:	10'	90.9'/251.6'

As previously mentioned this site, due to its location within the City's Corridor Overlay District, requires a 30' front setback for all parking and maneuvering areas. Additionally, this area is required to be landscaped, as are all front setbacks along thoroughfares within the City. As the site is currently developed with a varying width landscaped area of 10'-15' adjacent to Broadway, additional landscaping and setback area between the parking area and the right-of-way would be required to be added to meet this requirement. This would require relocation of existing parking which is the reason the applicant has requested a

Conditional Use Permit to reduce the required with the existing site configuration. Additionally, the property currently has an existing perimeter fence made of a metal type material which is not a permitted fence material in the Corridor Overlay District. As the fence is existing, the applicant has requested that the Conditional Use Permit also permit this fence to remain in place. The existing landscape/setback area and fence are illustrated on the site photo below:

At the time of development, all aspects of the Unified Development Code (UDC) which are not waived or reduced by City Council with a Conditional Use Permit will be required to be met. At this time, all aspects of the UDC not specifically addressed appear to be met.

PLATTING STATUS: Currently the property has not been platted. Adding additional square footage or site improvements does trigger the platting requirements according to Section 3.1.1.1 (c) of the Unified Development Code (UDC).

CONFORMANCE WITH THE COMPREHENSIVE PLAN: The current Comprehensive Plan (latest update in 2009) indicates *Business Commercial* for the subject property. The existing use, proposed to be expanded, Auto Sales/Dealer, is a permitted use in the

General Commercial zoning district. As that zoning district is a correlating zoning district in the City's Comprehensive Plan for *Business Commercial*, the zoning and use are in compliance with the Comprehensive Plan.

CONFORMANCE WITH THE THOROUGHFARE PLAN: The subject property has frontage on Broadway, a major thoroughfare, with a minimum of 120' right-of-way.

AVAILABILITY OF UTILITIES: The subject parcel does have access to public water and public sewer.

IMPACT ON EXISTING AND FUTURE DEVELOPMENT: The proposed expansion of the used car facility on this property is not anticipated to have any negative impacts on existing surrounding or future developments.

ADDITIONAL COMMENTS: This request has been reviewed by the City's Development Review Committee and there are no additional comments from other departments at the time of this report.

SITE PLAN CONSIDERATIONS: A conceptual site plan for was submitted with the Conditional Use Permit application. This plan appears to meet the City's Corridor Overlay District regulations with the exceptions specifically stated in the *Summary* section of this report. A complete review will occur at time of formal site plan submittal.

PUBLIC NOTIFICATION: Public notice, comment forms, and a vicinity map were mailed to property owners within 200 feet of the subject property under consideration for the Conditional Use Permit. A legal notice of public hearing was published in the local newspaper, and a notification sign was placed on the property by the applicant.

OPPOSITION TO OR SUPPORT OF PROPOSED REQUEST: Staff has not received any comments either in opposition to or in support of the proposed Conditional Use Permit request.

CRITERIA FOR APPROVAL: When considering an application for a Conditional Use Permit, the Planning and Zoning Commission and City Council shall evaluate the impact of the proposed use on and its compatibility with surrounding properties and residential areas to ensure the appropriateness of the use at the particular location, and shall consider the extent to which:

- (1) The proposed use at the specified location is consistent with the policies embodied in the adopted Comprehensive Plan;
- (2) The proposed use is consistent with the general purpose and intent of the applicable zoning district regulations;
- (3) The proposed use is compatible with and preserves the character and integrity of adjacent developments and neighborhoods, and includes improvements either on-site or within the public rights-of-way to mitigate

development related adverse impacts, such as traffic, noise, odors, visual nuisances, drainage or other similar adverse effects to adjacent development and neighborhoods;

- (4) The proposed use does not generate pedestrian and vehicular traffic which will be hazardous or conflict with the existing and anticipated traffic in the neighborhood;
- (5) The proposed use incorporates roadway adjustments, traffic control devices or mechanisms, and access restrictions to control traffic flow or divert traffic as may be needed to reduce or eliminate development generated traffic on neighborhood streets;
- (6) The proposed use incorporates features to minimize adverse effects, including visual impacts, of the proposed conditional use on adjacent properties; and
- (7) The proposed use meets the standards for the zoning district, or to the extent variations from such standards have been requested, that such variations are necessary to render the use compatible with adjoining development and the neighborhood.

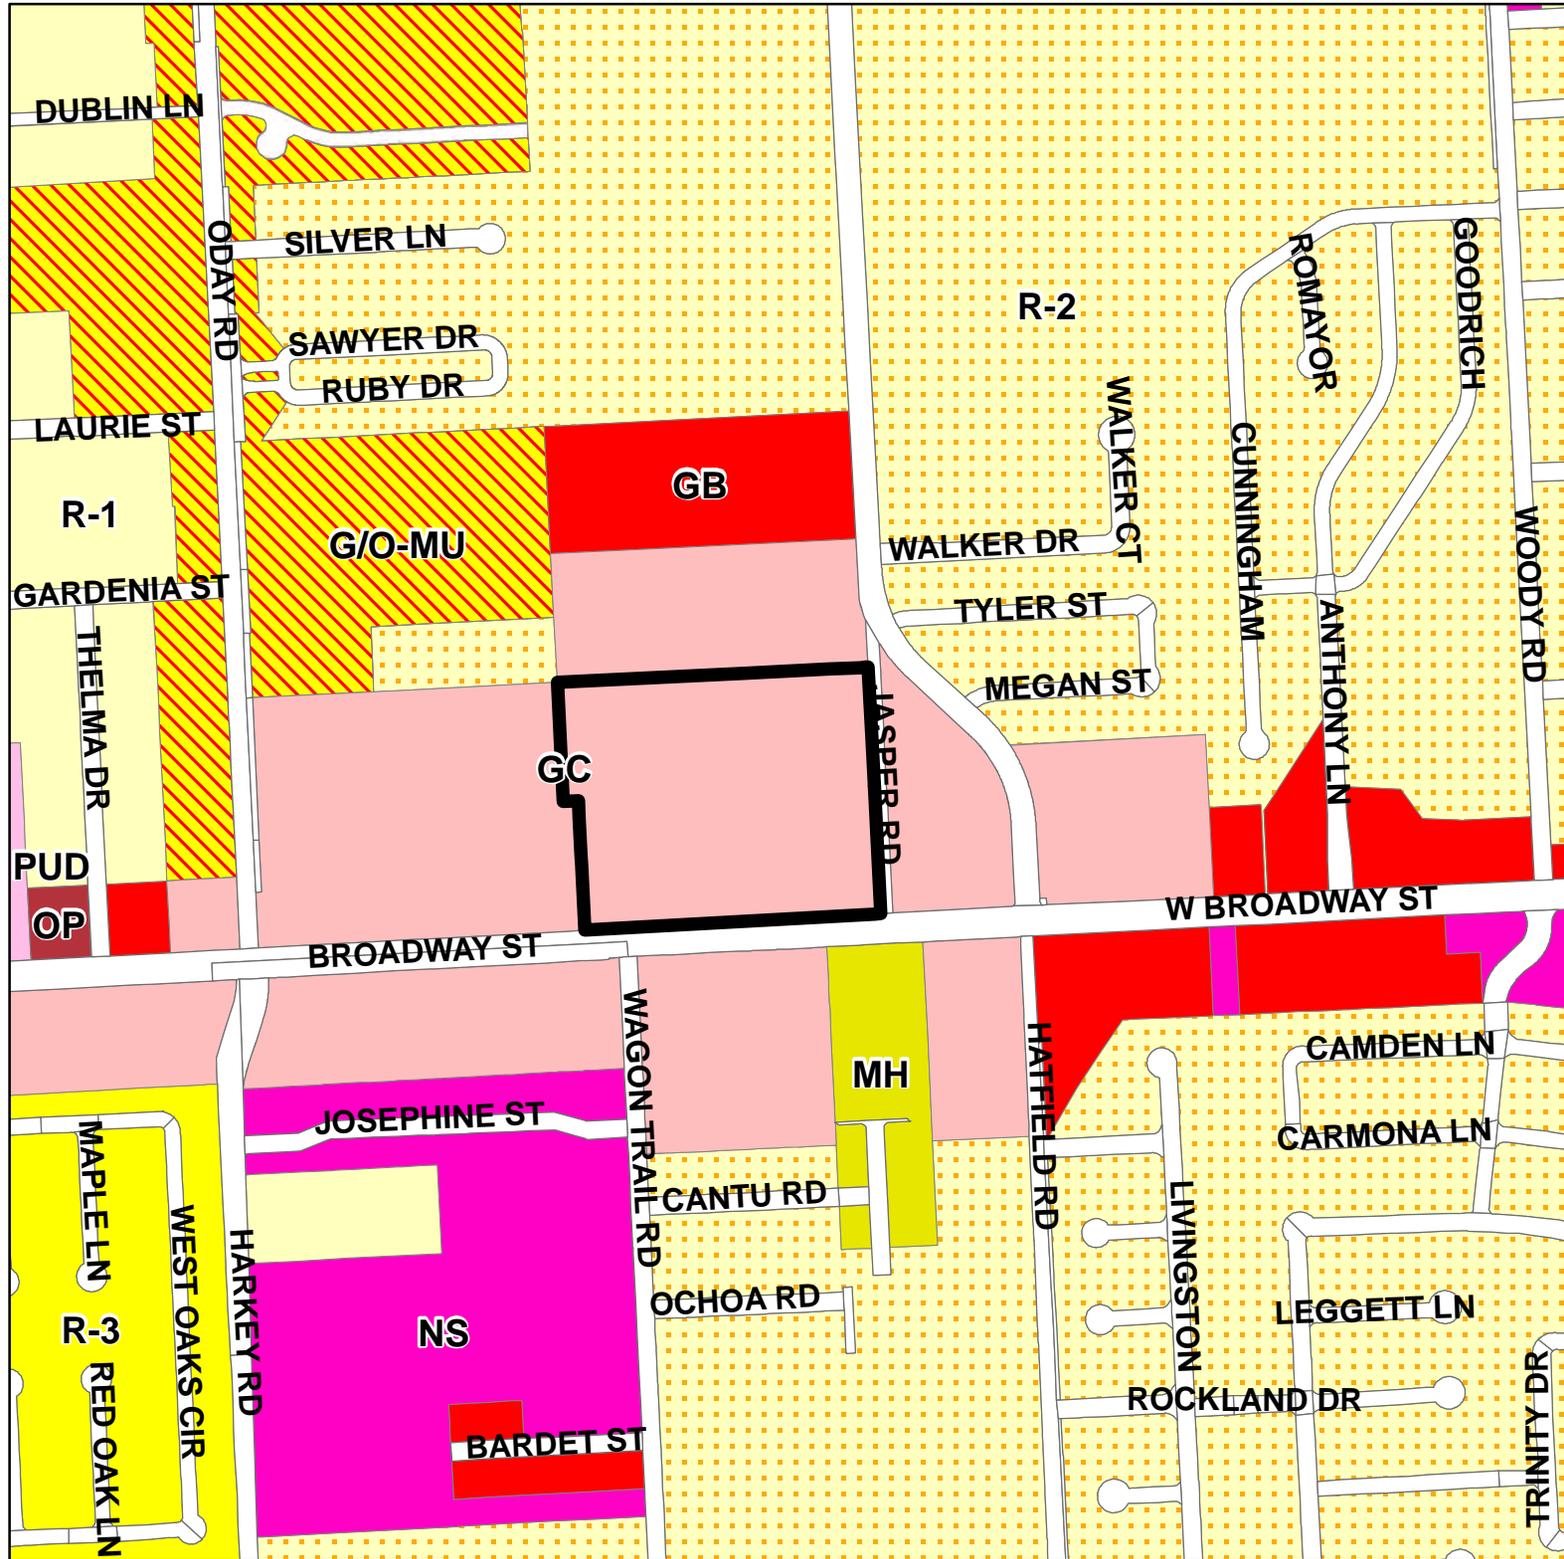

Conditions: The City Council may require such modifications in the proposed use and attach such conditions to the Conditional Use Permit as the City Council deems necessary to mitigate adverse effects of the proposed use and to carry out the spirit and intent of this section. It should be noted that at this time staff has not identified negative impacts which will need to be mitigated as a result of the proposed addition. Should City Council identify impacts which it feels should be mitigated, conditions and modifications may be placed on the approval of the Conditional Use Permit.

STAFF RECOMMENDATION: Staff recommends approval of the Conditional Use Permit to expand the floor area of an existing structure, while maintaining the existing buffer/landscaped area ranging from 10-15 feet width (as shown on the attached site plan) and perimeter fencing material in the General Commercial (GC) district as proposed by the applicant and owner for the following reasons:

1. The proposed request should not have any significant negative impact on the surrounding properties and developments.
2. The proposed request would be in conformance with the Unified Development Code with the approval of a Conditional use Permit.
3. The proposed request is in conformance with the criteria of approval of a Conditional Use Permit listed in the Unified Development Code.
4. The proposed request would result in expansion of an existing business in the City of Pearland.

**POSTING OF ZONING NOTIFICATION SIGNS
ON PROPERTY UNDER CONSIDERATION
FOR A ZONE CHANGE (OR CONDITIONAL USE PERMIT)**

Any person, firm or corporation requesting a zoning change, a conditional use permit (CUP), or a variance shall be required to erect and maintain a sign(s), to be inspected by the City, upon the property for which a variance or zoning change has been requested.

Such sign(s) shall be located as follows:

- (1) One (1) sign per street frontage shall be located within thirty feet (30') of the abutting street, or as determined by the City.
- (2) So as to be clearly visible and readable from the public right-of-way and not obstructed in any manner.
- (3) So as not to create a hazard to traffic on the public rights-of-way abutting the property.
- (4) On the subject property at least ten (10) days prior to the hearing of such zoning change request by the Planning and Zoning Commission, and to remain continuously on said property until final action by the City Council or withdrawal of the case by the applicant. Removal of the sign by the applicant prior to a recommendation by the Planning and Zoning Commission and/or a final decision by the City Council shall constitute a withdrawal of the request.
- (5) The signs shall be as follows:
 - A minimum sign size of 2 feet by 3 feet, but no larger than 4 feet by 4 feet
 - At least 2 feet above the ground
 - Blue or black lettering that is a minimum of 3 inches by 1/2 inch, on a white background
 - Message content as follows:

281-334-5392 (fax)
email: tlera@wycoffconstruction.com

To Whom It May Concern:

Strickland Chevrolet is requesting a Conditional Use Permit for reduction of the required 30' landscape screening along their front property line. Per City of Pearland's request, Strickland has agreed to remove the asphalt area along Broadway, which has been in place more than twenty years. Currently Strickland Chevrolet has a front landscape area that fluctuates from 10'-15' in width as seen on the attached survey. The landscaping along the front of Strickland creates an enhanced break with numerous trees and shrubs between the car lot and Broadway. At this time Strickland would like to remove the existing Used Car Building and replace it with a larger updated facility. In order to obtain a building permit, the City is requesting Strickland to remove the asphalt and replace it with grass. The City would like Strickland to leave the underground storm drain basin and pipe in place since it looks nicer than the open ditch.

Should you have any questions do not hesitate to call.

Thank You,
Terri Lera

**POSTING OF ZONING NOTIFICATION SIGNS
ON PROPERTY UNDER CONSIDERATION
FOR A ZONE CHANGE (OR CONDITIONAL USE PERMIT)**

Any person, firm or corporation requesting a zoning change, a conditional use permit (CUP), or a variance shall be required to erect and maintain a sign(s), to be inspected by the City, upon the property for which a variance or zoning change has been requested.

Such sign(s) shall be located as follows:

- (1) One (1) sign per street frontage shall be located within thirty feet (30') of the abutting street, or as determined by the City.
- (2) So as to be clearly visible and readable from the public right-of-way and not obstructed in any manner.
- (3) So as not to create a hazard to traffic on the public rights-of-way abutting the property.
- (4) On the subject property at least ten (10) days prior to the hearing of such zoning change request by the Planning and Zoning Commission, and to remain continuously on said property until final action by the City Council or withdrawal of the case by the applicant. Removal of the sign by the applicant prior to a recommendation by the Planning and Zoning Commission and/or a final decision by the City Council shall constitute a withdrawal of the request.
- (5) The signs shall be as follows:
 - A minimum sign size of 2 feet by 3 feet, but no larger than 4 feet by 4 feet
 - At least 2 feet above the ground
 - Blue or black lettering that is a minimum of 3 inches by 1/2-inch, on a white background
 - Message content as follows:

PROPOSED (SPECIFY REQUEST)
Contact City of Pearland
281-652-1768

*Signs must be professionally made; handwritten signs are not allowed.

*Signs must be freestanding and cannot be attached to a tree, fence, or building.

JOINT PUBLIC HEARING AGENDA ITEM MEETING OF APRIL 16, 2012

Zone Change No. 2012-04Z

A request of Alan Mueller, applicant, on behalf of Musgrave-Grohman Ventures, Ltd. and Brandon Lee Investments, Inc., owner(s), for approval of a zone change from the Planned Development (PD) zone to the Planned Development (PD) zone for 123.33 acres on the following described property, to wit:

Legal Description: Being a 39.50 acre tract of land being out of the D.H.M. Hunter Survey, Abstract 76, being a portion of the same 181.6209 acre survey as described in a deed dated June 4, 1981, from the C.H. Alexander Trust to Sue Alexander Morrison a.k.a. Susie Alexander Morrison, and recorded in Volume 1596, Page 93 et seq of the Brazoria County Deed Records (B.C.D.R.); and

Being a 83.83 acre tract of land being out of the D.H.M. Hunter Survey, Abstract 76 and the H.T. & B.R.R. Company Survey, Abstract 233, being a portion of the same 181.6209 acre survey as described in a deed dated June 4, 1981, from the C.H. Alexander Trust to Sue Alexander Morrison a.k.a. Susie Alexander Morrison, and recorded in Volume 1596, Page 93 et seq of the Brazoria County Deed Records (B.C.D.R.)

General Location: East and West Sides of Pearland Pkwy, North of Barry Rose Road – Stonebridge Planned Development

APPROVAL PROCESS: After this Joint Public Hearing, the requested zone change application will be considered as follows:

Planning and Zoning Commission: April 16, 2012*

City Council for First Reading: May 14, 2012*

City Council for Second Reading: May 21, 2012*

(*dates subject to change)

SUMMARY: Alan Mueller, applicant, on behalf of Brandon Lee Investments and Musgrave-Grohman Ventures, LTD, owners, is requesting an amendment to the previously approved Stonebridge Planned Development (PD), which was approved by City Council on April 26, 2004. The PD contains 123.34 acres, and includes land on both the east and

west side of Pearland Parkway, just north of Barry Rose.

Land uses in the originally approved PD included residential and commercial (General Business) uses, as illustrated on the attached previously approved Conceptual Layout Plan. West of Pearland Pkwy included 139 residential lots (currently developed) located behind General Business (GB) uses immediately abutting Pearland Pkwy. East of Pearland Pkwy included 78 residential lots (currently undeveloped) located behind General Business (GB) uses immediately abutting Pearland Pkwy. The General Business uses on the east side of Pearland Pkwy have been developed.

The proposed Planned Development amendment removes the proposed residential lots not yet developed on the east side of Pearland Pkwy and replaces them with the following uses:

- Hospital (for profit or non-profit)
- Assisted Living Facility
- Nursing/Convalescent Home
- Office (other than listed)
- Clinic, Medical, or Dental
- Medical Appliance and Sales
- Laboratory, Medical or Dental
- Emergency Care Clinic
- Hospice

Incidental Uses in conjunction with above uses requested:

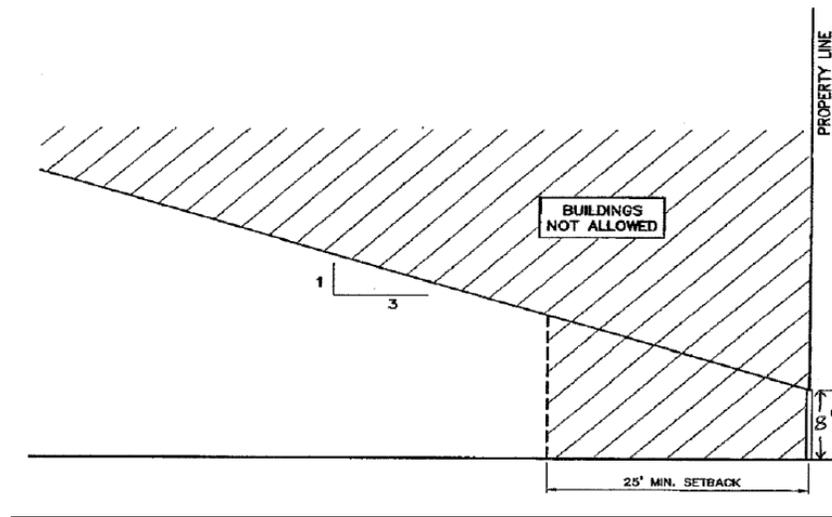

- Cafeteria
- Restaurant (with no drive-in service)
- General Retail Store
- Child Day Care Center
- Parking lot or garage for passenger cars or trucks less than one-ton

The new conceptual layout plan provided with the proposed amendments is also attached to this report to better illustrate the proposal. No changes relating to the existing residential lots on the west side of Pearland Pkwy or existing commercial uses existing on the east side of Pearland Pkwy are proposed.

Staff initially reviewed the amended PD proposal and had the following comments:

- Please specify base zoning district which uses and development regulations will be based upon – General Business (GB) would be most appropriate.
- Due to residential proximity and amount of acreage, some of the allowable uses in the General Business (GB) zoning district may not be compatible - please specify uses being requested.
- Proof of property ownership (deed, tax certificate) is needed for zone changes (including PD amendments)

- Provide open space calculation. The Unified Development Code requires 20% open space which is accessible to the public. Additionally, the proposed trail system should connect to the City's trail system. Staff is awaiting a recommendation from the Parks Director and will further discuss with the applicant.
- The residential setback area shown on the site plan should contain opaque landscaping screening wall.
- Due to close proximity of proposed commercial areas, especially along the northern property line, buffering is important. Please provide details on fencing and landscaping along the area abutting residential to ensure that adverse effects are minimized.
- Provide additional details (location and design) of proposed additional signs over and beyond what is permitted by the City's Unified Development Code and also includes locations of existing monument signs for existing shopping center.
- Provide details on heights of proposed buildings and incorporate illustration in the Unified Development Code (Section 2.4.4.1, Figure 2- 1 (b))

Since the time of the workshop, the applicant has resubmitted a revised proposed Planned Development document which addresses all of the above comments with the following exceptions:

1. Provide open space calculation. The Unified Development Code requires 20% open space which is accessible to the public. Additionally, the proposed trail system should connect to the City's trail system.
2. Provide details on site plan regarding proposed landscaping along the area abutting residential to ensure that UDC requirements are met.

These two items are recommended to be met and are addressed in conditions of approval of the Planned Development request.

SURROUNDING ZONING AND LAND USES:

	<u>Zoning</u>	<u>Land Use</u>
North	Planned Development (PD)	Residential
South	Single-Family Residential Cluster, (R-1 Cluster) and Single-Family Residential-2 (R-2)	Residential
East	Single-Family Residential-1 (R-1)	Vacant
West	Single-Family Residential-3 (R-3)	City Facility

CONFORMANCE WITH THE UNIFIED DEVELOPMENT CODE (UDC): As previously mentioned, the property is currently zoned Planned Development (PD). At this time it appears that all bulk regulations set forth in the existing Planned Development are in compliance with the Unified Development Code. The Planned Development amendment, if approved, would be in conformance with the Unified Development Code.

PLATTING STATUS: Developed portions of the Planned Development have been platted. The area of the Planned Development that the applicant is requesting to amend is not currently platted. Platting of that area will be required at the time of development.

CONFORMANCE WITH THE COMPREHENSIVE PLAN: The current Comprehensive Plan (latest update in 2009) indicates *Suburban Residential and Retail, Offices, and Services* for the subject property. The general area of the existing Planned Development being proposed to be amended is indicated to be *Suburban Residential* in the Comprehensive Plan. However, as the area where the medical related, nursing and assisted living, and offices are being proposed abuts *Commercial, Offices, and Services*, the request could be considered to be in conformance with the Comprehensive Plan.

CONFORMANCE WITH THE THOROUGHFARE PLAN: The subject property has frontage on Pearland Parkway frontage road, a major thoroughfare, with a minimum of 120' right-of-way.

AVAILABILITY OF UTILITIES: The subject parcel does have access to public water and sewer.

IMPACT ON EXISTING AND FUTURE DEVELOPMENT: As this development already exists with no known negative impacts, the proposed amendment proposed use changes from residential to non-residential is not anticipated to have any negative impacts on existing surrounding or future developments which are not able to be mitigated by the recommended conditions of approval or by changes already made by the applicant to the plans based on staff comments.

A Traffic Impact Analysis (TIA) will be required at the time of site plan review by the City's Engineering department to determine if there are any potentially negative traffic impacts anticipated as a result of the proposed expansion. Mitigation measures that are deemed necessary as a result would be responsibility of the applicant to implement.

ADDITIONAL COMMENTS: This request has been reviewed by the City's Development Review Committee and there are no additional comments from other departments at the time of this report.

SITE PLAN CONSIDERATIONS: A site plan is not required for a zone change. However, as this is a Planned Development, which does require a conceptual site plan, a proposed site plan was submitted showing the existing development and area of proposed use changes.

PUBLIC NOTIFICATION: Public notice/comment forms were mailed to property owners within 200 feet of the subject property under consideration, as well as property owners within the existing Planned Development. A legal notice of public hearing was published in the local newspaper, and a notification sign was placed on the subject property.

OPPOSITION TO OR SUPPORT OF PROPOSED REQUEST: Staff has not received any comments either in opposition to or in support of the proposed zone change request. At the time of this report, one information inquiry has been received.

STAFF RECOMMENDATION: Staff recommends approval of the Zone Change 2012-04Z as proposed by the applicant for the following reasons and with the following conditions:

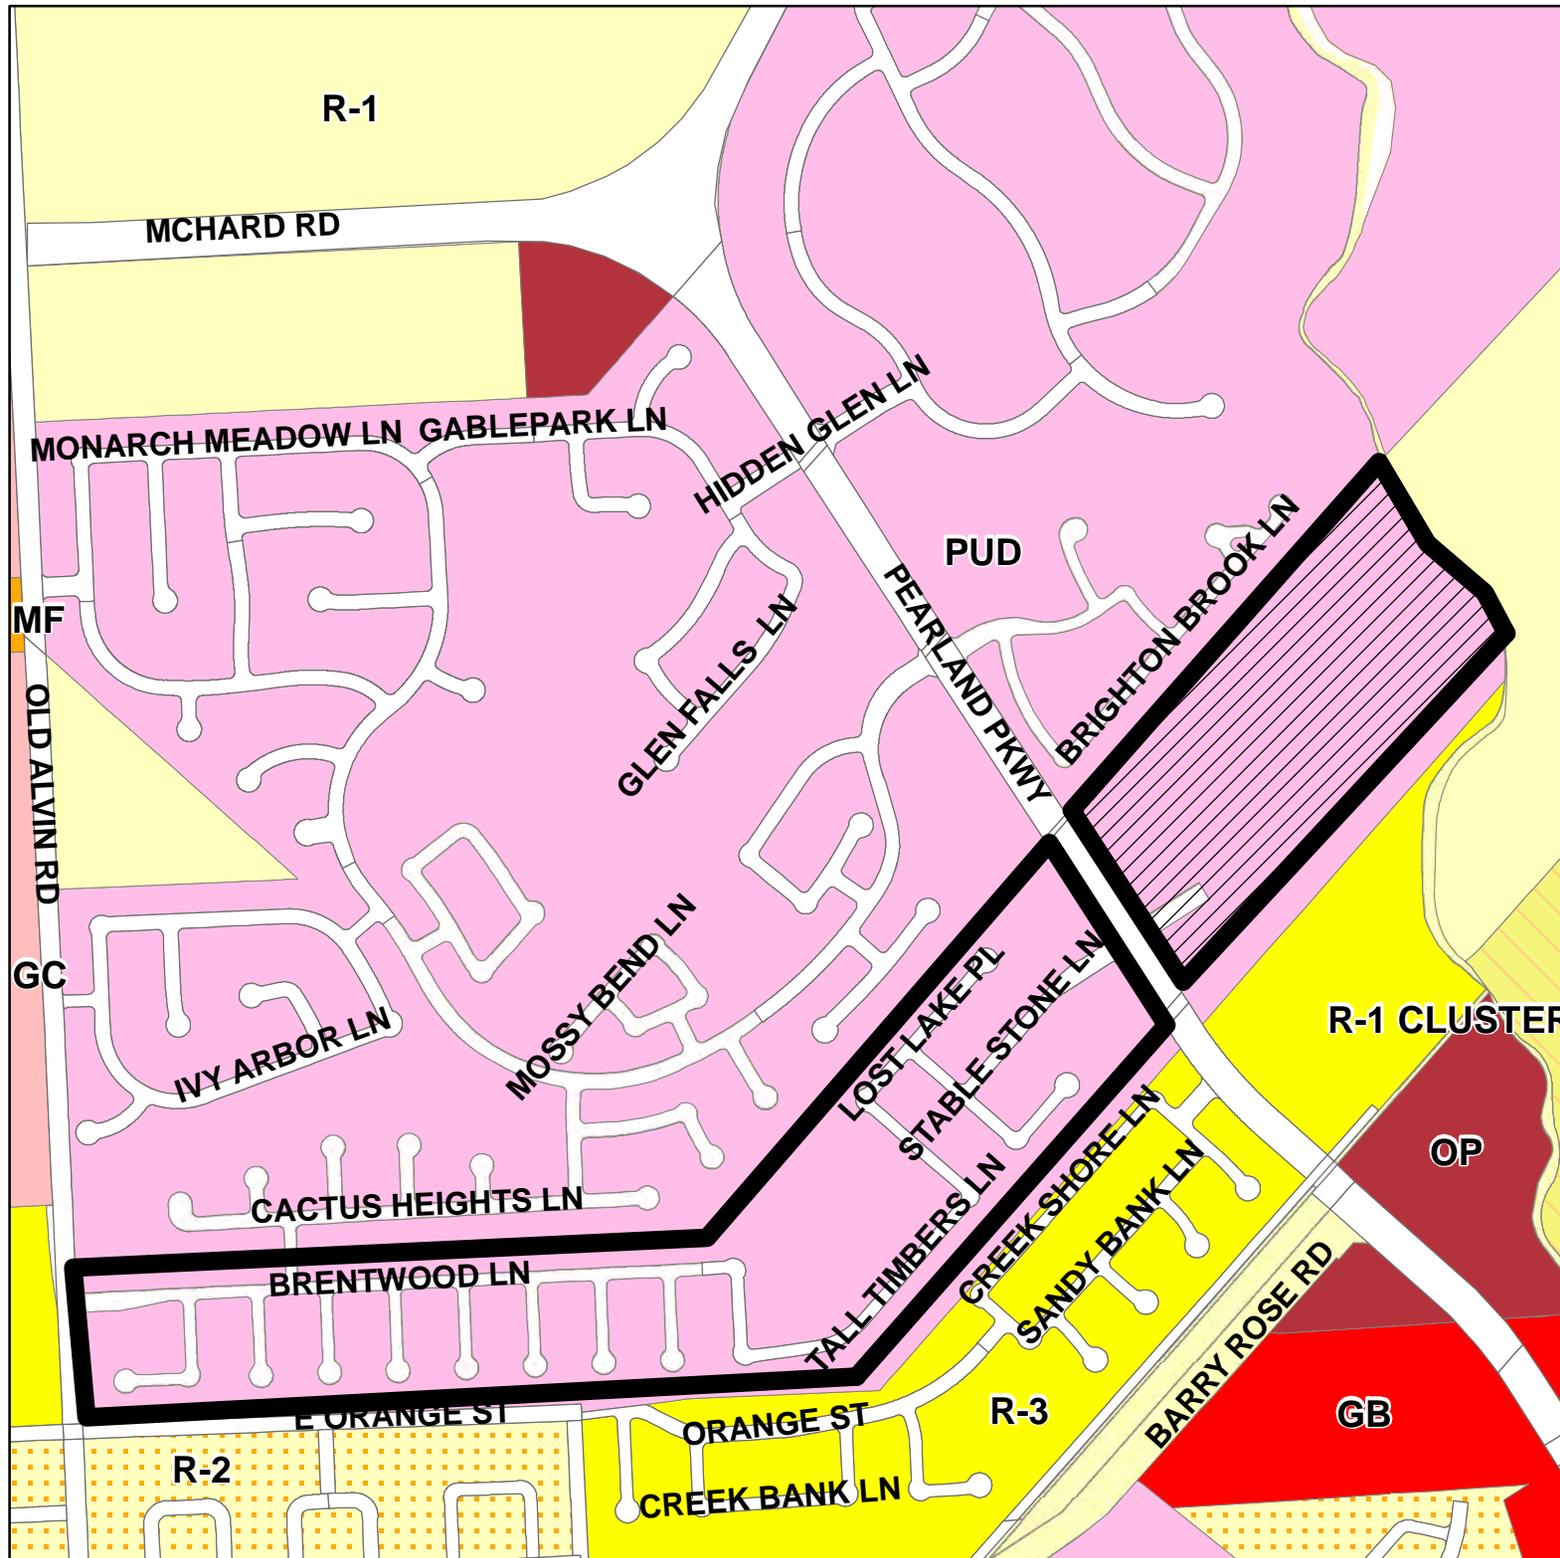

1. The proposed zone change does not appear to have any negative impacts on existing surrounding or future developments which are not able to be mitigated
2. The proposed zone change would result in development which would blend well with existing nearby commercial uses.

Recommended Conditions of Approval:

1. Applicant to provide details on site plan regarding proposed landscaping along the area abutting residential to ensure that UDC landscaping and buffering requirements are met.
2. Applicant to provide calculation that the portion of the Planned Development being amended contained 20% open space as required by the Unified Development Code.

RE: Stonebridge
Planned Unit Development Amendment

Ms. Krishnarao:

I hereby assign Alan Mueller as agent on behalf of Musgrave-Grohman Ventures, LTD, for the sole purpose of representing Musgrave-Grohman Ventures, LTD, in obtaining a Planned Unit Development amendment, pertaining to 34.426 acres east of Pearland Parkway within the "123.34 Acres Pearland Parkway" Planned Unit Development (Stonebridge). This representation as agent is only for this transaction and would not be for any other use. This authorization as agent does not include the power to bind Musgrave-Grohman Ventures, LTD, Inc. to any liability or payment obligation.

Please contact me if you have any questions.

Sincerely,

Ken P. Musgrave Managing Partner

Planned Unit Development

Amendment # 1

Original Approval

Ordinance 509-706

April 26, 2004

Amendment # 1 Approval

Ordinance _____

Date _____

Submitted February 22, 2012

Revised March 20, 2012

123.24 Acres Pearland Parkway (Stonebridge)

Planned Unit Development

Amendment # 1

I. Purpose of Amendment

This Amendment #1 amends the development plans and requirements for a 34.426-acre portion of the property lying within the Pearland Parkway 123.34 Acres Planned Unit Development (Stonebridge) adopted by City of Pearland Ordinance 509-706 on April 26, 2004.

The purpose of this Amendment is to provide for a revised land use plan for the 34.426-acre property east of Pearland Parkway (Referred to herein as Tract A). The residential uses east of Pearland Parkway will be replaced by General Business land uses. The current intent is to develop the land as a mixed use medical and specialty care campus and other related uses that conform to the General Business land use category.

All changes in development regulations documented in this Amendment relate only to Tract A; the balance of the property within the PUD will continue to be governed by the conditions of the original PUD.

II. Current Status of Development

Exhibit 1 depicts the revised overall land uses for the PUD including actual existing uses and the proposed conceptual plan for the remaining undeveloped property in Tract A.

Ownership Status

The majority of Tract A is owned by Musgrave-Grohman Ventures, Ltd., except for 1.773 acres which are owned by Brandon Lee Investments, Inc. The entirety of Tract A is the subject of a proposed joint venture with University General Hospital System.

Platting Status

The property outside of Tract A has been platted in several sections as residential lots, General Business lots, and related reserves. Tract A has not been platted.

Residential Development Status

A total of 233 residential lots have been platted. All lots have either been sold to end-user homeowners or are under contract with a home builder. As of February 9, 2012, 162 homes are completed and occupied with an additional 19 under construction or completed and ready for sale.

General Business Development Status

A 35,000 square foot retail center and a 7,000 square foot bank building have been constructed. There are additional vacant, platted General Business lots available for future development.

III. Amended Sections

The following sections of the existing PUD are amended to the extent they are included in this Appendix. All other provisions of the existing PUD remain effective.

1. Land Usage Summary
2. Residential East of Pearland Parkway (deleted in its entirety)
3. General Business Sites (no changes to existing provisions; new provisions added to accommodate medical and related uses).
4. Development Schedule

IV. Revised Land Usage Summary Table

The revised land usage and residential lot summary of the PUD are shown in the following tables:

LOT DATA

Lot Size	Sec 1	Sec 2	Total	%
Min. 70'	33	131	164	70%
Min. 80'	60	9	69	30%
Total	93	140	233	100%
Gross Density			1.89	
Net Density			3.04	

LAND USAGE

Usage	Acres	%
Existing:		
Residential	64.9776	53%
General Business	10.221	8%
Park	0.7394	1%
Lake	11.05	9%
Landscape/Open Space	1.1899	1%
ROW Dedications (non-residential)	0.7361	1%
Subtotal	88.914	
Amendment #1:		
General Business	18.7	15%
Detention/Mitigation	12.326	10%
Clear Creek Dedication	3.4	3%
Subtotal	34.426	
Total	123.34	100%

Note 1: Land use allocations may change based upon completion of the drainage plan and final design requirements.

V. Revised Land Use Plan East of Pearland Parkway (GB)

The proposed conceptual land plan for Tract A is shown on Exhibit 2. Development of the property within Tract A will conform to the General Business zoning category of the City of Pearland Unified Development Code (UDC), except as specifically noted. Furthermore, Tract A is an Integrated Business Development as defined by the UDC.

ALLOWABLE LAND USES

The following facilities are anticipated:

1. 80,000 square-foot concierge hospital of 50-70 beds
2. 20,000 square-foot licensed care/memory care facility of approximately 30 units
3. 44,000 square-foot medical office building(s)
4. 15,000 square-foot medical care facility

These uses are illustrative of the anticipated medical-related facilities planned for the site. These uses are not mandated, however, all primary uses within Tract A will be limited to the following use categories as defined in the UDC:

Primary Use Categories

1. Hospital (Non-Profit or For Profit) {p. 2-164}
2. Assisted Living Facility {p. 2-158}
3. Nursing/Convalescent Home {p. 2-166}
4. Office (other than listed) {p. 2-137}
5. Clinic, Medical or Dental {p. 2-135}
6. Medical Appliance & Sales {2-153}
7. Laboratory, Medical or Dental {p. 2-178}
8. Emergency Care Clinic {p. 2-136}
9. Hospice {p. 2-163}

Additionally, the following uses, as defined in the UDC, are allowable as incidental to the primary uses listed above:

Incidental Use Categories

1. Cafeteria {p. 2-148}
2. Restaurant (with No Drive-In or Drive-Thru Service) {p. 2-155}
3. General Retail Store {p. 2-152}
4. Child Day Care Center {2-158}
5. Parking {p. 2-133}

BUILDING HEIGHT/SITE LAYOUT

The most intensive use, the hospital, will be located on the southern portion of the property to provide the largest possible buffer to the existing residential uses to the north. Maximum building height will be governed by the underlying GB requirements, subject to the limitations illustrated in Exhibit 3. The height of buildings in proximity to the existing residential uses to the north will be limited in conformance with Exhibit 3 to reduce the visual impact of the proposed buildings. Specific building location and orientation may vary from the exhibits, but will otherwise be governed by the underlying GB requirements and the "No Buildings Allowed" area shown on Exhibit 3.

BUFFERING

Since the perimeter residential fence along the northern property line is existing, buffering adjacent to the existing residential subdivision will be accomplished via a 30' open space buffer as allowed by UDC Section 4.2.4.1(c). Additionally, buffering will be supplemented via the height restrictions depicted in Exhibit 3. All other required buffering standards will be followed.

ACCESS/CIRCULATION

The conceptual site plan (Exhibit 2) anticipates several individual lots served by an extension of Stable Stone Lane. As approved in the original Planned Unit Development, Stable Stone Lane provides the single point of access to this site. A second access point, traversing the existing retail center, connecting Tract A to the existing Pearland Parkway driveway approximately 350 feet north of Stable Stone Lane via a dedicated perpetual access easement is anticipated.

The ability to gain access and frontage for individual lots by private access easement (PAE) under UDC Section 4.2.1.2(a)(8) is preserved with the following clarifications/deviations:

- a) A four-foot sidewalk is required on only one side of each PAE with no sidewalk on the opposite side.
- b) Head-in parking is allowed direct access to a PAE for a maximum of 50 spaces.
- c) Utility easements (UE) are allowed to overlap the PAE.

Traditional public or private rights-of-way and street standards may be utilized in lieu of private access easements, at the discretion of the developer. Parking is allowed on a lot other than the principal use, provided that the parking will conform to UDC Section 4.2.1.2 (d) (1) & (2) and the total number of spaces otherwise required are provided.

VI. Revised Development Schedule

Within Tract A, Phase 1 will consist of the licensed/memory care facility with other phases following as demand warrants. Phase 1 is anticipated to commence within 12 months of the approval of this Amendment with opening of the facility expected 12 months after initiation of construction.

VII. Signage

Tract A is an Integrated Business Development as defined by the UDC and is, therefore, eligible for a Multi-User Sign to serve the property. The approximate location of the Multi-User Sign is denoted on Exhibit 2. Signage for individual businesses will conform to the UDC sign regulations with the following additions:

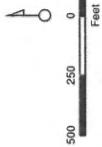

1. Directional Signs

- a. One of the allowed directional signs per lot may exceed the standard two square feet, but may not exceed six square feet. Such directional sign may contain the name of the facility or business on that lot, but may contain no other form of advertising.
- b. The Hospital lot may have two additional directional signs (in addition to the number allowed by the UDC) not to exceed six square feet each to denote and guide patients to the emergency entrance. Alternatively, the six square feet of "emergency entrance" signage may be added to other directional signs otherwise allowable on the Hospital lot.
- c. In addition to the number of directional signs allowed in the UDC, up to three additional "site orientation" signs, not to exceed 15 square feet each, may be placed within the site. Such signs may contain a site map and the names of facilities or businesses within the site, but may contain no other form of advertising.

VIII. Exhibits

1. Revised Overall Conceptual Land Use Plan
2. Tract A Conceptual Site Plan
3. Building Height Limitation Based on Distance to Northern Property Line
4. Tract A metes and bounds exhibit

This document was prepared under 22 T.A.C. § 663.21, does not reflect the results of an on site inspection. It is intended to show the location of the proposed subdivision and the location of those rights and interests implied or established by the creation or reconfiguration of the boundary of the political subdivision for which it was prepared.

DESCRIPTION OF
34.426 ACRE TRACT OF LAND
WITHIN THE 123.34 ACRE PEARLAND PARKWAY (STONEBRIDGE)
PLANNED UNIT DEVELOPMENT

Being 34.426 acres of land located in the D.H.M. Hunter Survey, Abstract 76, Brazoria County, Texas, being a portion of that certain called 1.773 acre tract conveyed to Brandon Lee Investments, Inc., by instrument of record under file No. 2007006088, Official Records, Brazoria County, Texas (B.C.O.R), and a portion of that certain called 39.50 acre tract conveyed to Musgrave – Grohman Ventures, Ltd., by instrument of record under file No. 2004027202, Official Records, Brazoria County, Texas (B.C.O.R), said 34.426 acres being more particularly described by metes and bounds as follows (all bearings referenced to the aforementioned 39.50 acre tract);

BEGINNING at the southeast corner of said 1.773 acre tract and said 39.50 acre tract, same being on the northerly right-of-way line of Pearland Parkway (130 feet wide),

THENCE, North 32° 42' 53" West, along the northerly right-of-way line of said Pearland Parkway, 266.55 feet to the most southerly corner of that certain called Stable Stone Lane, a subdivision of record under Document # 2007055502, Official Records, Brazoria County, Texas (B.C.O.R), ;

THENCE, North 12° 30' 41" East, leaving the northerly right-of-way line of said Pearland Parkway, with the southerly right-of-way line of Stable Stone Lane, as shown on said Stable Stone Lane subdivision, 49.30 feet to a point for corner;

THENCE, North 57° 44' 11" East, continuing along the southerly right-of-way of said Stable Stone Lane, 265.01 feet to the most northeast corner of said Stable Stone Lane subdivision;

THENCE, North 32° 42' 50" West, 80.00 feet to the most northerly corner of said Stable Stone Lane subdivision to a point for corner, also being at the southerly line of that certain called Centre At Pearland Parkway, a subdivision of record under Document # 2006061125, Official Records, Brazoria County, Texas (B.C.O.R), ;

THENCE, North 57° 44' 11" East, leaving said Stable Stone Lane subdivision, along the southerly line of said Centre At Pearland Parkway, 40.00 feet to the most easterly corner of said Centre At Pearland Parkway subdivision;

THENCE, North 32° 42' 50" West, along northeasterly line of said Centre At Pearland Parkway, 627.13 feet to the most northerly corner of said Centre At Pearland Parkway subdivision, also being at the southeasterly line of that certain called The Lakes At Highland Glen Section Six, a subdivision of record under Document # 2009022028, Official Records, Brazoria County, Texas (B.C.O.R), same being a northwesterly line of the aforementioned 39.50 acre;

THENCE, North 41° 39' 58" East, with the northwesterly line of said 39.50 acre, 1599.64 feet to a point in the centerline of Clear for the most northerly corner of the herein described tract;

THENCE, with the centerline meanders of said Clear Creek the following 11 courses:

- 1) South 27° 14' 47" East, 95.72 feet to a point for corner;
- 2) South 29° 12' 46" East, 97.95 feet to a point for corner;
- 3) South 31° 28' 18" East, 43.33 feet to a point for corner;
- 4) South 28° 59' 35" East, 92.91 feet to a point for corner;
- 5) South 33° 31' 55" East, 110.11 feet to a point for corner;
- 6) South 43° 51' 30" East, 43.96 feet to a point for corner;
- 7) South 55° 54' 08" East, 107.01 feet to a point for corner;
- 8) South 49° 48' 56" East, 104.18 feet to a point for corner;

34.426 acre

February 17, 2012
Job No. 2054-0001-219

- 9) South 28° 08' 19" East, 105.12 feet to a point for corner;
- 10) South 13° 36' 45" East, 41.82 feet to a point for corner;
- 11) South 06° 43' 38" East, 97.54 feet to a point for corner;

THENCE, South 41° 40' 14" West, departing said Clear Creek with the southeasterly line of said 39.50 acre, 1948.44 feet to the POINT OF BEGINNING, containing 34.426 acre, more or less, of land;

"This document was prepared under 22 TAC § 663.21, does not reflect the results of an on the ground survey, and is not to be used to convey or establish interests in real property except those rights and interests implied or established by the creation or reconfiguration of the boundary of the political subdivision for which it was prepared".

APPLICATION CHECKLIST FOR THE FOLLOWING

- Zone Changes
- Planned Development Districts (PD)

- Application, filled out completely, and signed by the owner of the property to be considered for the conditional use permit.
- If the applicant is the designated agent, the application shall include a written statement from the property owner authorizing the agent to file the application on his behalf. **Section 1.2.1.1 (a) of the Unified Development Code.**
- Parcel map, printed from the City of Pearland website, indicating the location and boundaries of the subject property.
- Letter of Intent, explaining the zone change request in detail and why the zoning is being requested to be changed, and state the uses being proposed
NA

*Letter of Intent is not required for a PD.

- Application fee, as determined below, by cash, check made payable to the City of Pearland, or credit card (Visa and MasterCard only)
 - **Zero (0) to less than 25 acres:**
 - \$ 250.00, plus \$25.00 per each type of zoning district requested; or
 - \$ 400.00 if requesting a Planned Development (PD)
 - **25 to less than 50 acres:**
 - \$ 300.00, plus \$25.00 per each type of zoning district requested; or
 - \$ 450.00 if requesting a Planned Development (PD)
 - **50 to less than 75 acres:**
 - \$ 350.00, plus \$25.00 per each type of zoning district requested; or
 - \$ 500.00 if requesting a Planned Development (PD)
 - **75 to less than 100 acres:**
 - \$ 400.00, plus \$25.00 per each type of zoning district requested; or
 - \$ 550.00 if requesting a Planned Development (PD)
 - **100 acres and above:**
 - \$ 450.00, plus \$25.00 per each type of zoning district requested; or
 - \$ 600.00 if requesting a Planned Development (PD)

- For PD's Only: the proposed PD document electronic form by date of application (either emailed or on a CD) (see PD Format for guidelines on how to prepare the PD). *Emailed to Harold Ellis*
- Acknowledgement of the sign to be posted on the property 10 days prior to the public hearing *- will be posted 10 Day 5 prior to JPH*
- Provide evidence or proof that all taxes and obligations have been paid regarding the subject property.
- Application packets that are not **complete** will not be accepted. **When a completed application packet has been accepted and reviewed, additional information may be required by staff as a result of the review, it may be necessary to postpone the proposed CUP/Zone Change and remove it from the scheduled agenda and place it on a future agenda date according to Section 1.2.1.2. of the Unified Development Code.**

Responses to March 7, 2012, Review Comments

April 5, 2012

Comment Responses

- Specify the base zoning district
 - Response: As it relates to the portion of the existing PUD that is being amended (referred to in Amendment #1 as "Tract A", being 34.426 acres), GB is specified as the base zoning district in Section V and on Exhibit 1. *Note: This was documented in the original February 22, 2012, submission and is unchanged in the revised March 20, 2012, submittal*

- Due to residential proximity, some GB uses may not be compatible. Specify uses being requested.
 - Response: Section V has been revised to limit the allowable uses to only those uses being requested.

- Proof of ownership is needed (deed, tax certificate).
 - Response: Tax certificates documenting the owners of the two parcels within Tract A and that all taxes are paid were submitted with the zoning application on March 20, 2012. The documented owners are the same entities that signed the zoning application.

- Provide open space calculation.
 - Within the area to be amended of 34.426 acres, 9.0 acres is reserved for floodplain mitigation and, thus, will be maintained as open space. This acreage alone equals 26% of the amended boundary. This calculation is exclusive of an additional 3.4 acres that will be preserved for the Clear Creek corridor as well as smaller open space areas internal to the GB uses that have not yet been completely designed or calculated.

- Residential setback should contain an opaque screening wall.
 - Response: Since the wooden neighborhood fence is already constructed, to comply with this request, the UDC would require that the wooden fence on the resident's property be removed and replaced with a masonry wall. The UDC allows, as an alternative in such cases, for the existing fence to stay in place with a 30' buffer in lieu of a 25' buffer with a masonry fence. The Buffering section within Section V of Amendment #1 specifies that the 30' buffer option will be used. Additionally, voluntary building height restrictions have been added as further described further below.

- Due to close proximity to proposed commercial areas, provide a masonry screening wall.
 - Response: Please see response to previous similar comment

- Provide additional details (location and design) of proposed additional signs over and beyond what is permitted by the UDC and show locations of existing monument signs for the existing shopping center.
 - Response: Additional detail is not available at this time, but Section VII of Amendment #1 does limit the number and size of the proposed signs. We believe the language within Section VII is more than adequate to give staff guidance on the review of sign applications as they are submitted.
 - The existing signs have been added to Exhibit 1.

- Provide details of proposed buildings and incorporate the UDC illustration from Section 2.4.4.1, figure 2-1 (b).
 - Response: A "Building Height/Site Layout" section has been added to Section V of Amendment #1. A height limitation exhibit conforming to the request has been added as Exhibit 3.

- Proposed Clear Creek trail should connect to City's trail system.
 - Response: We were informed subsequent to these comments that the trail as shown in Amendment #1 (which is also consistent with the existing PUD) is acceptable and so no modifications were made in the revised submittal.

- Fire Marshal requires a second point of access via a recorded easement across the retail center property.
 - Response: The retail center owner has verbally agreed to the access easement as shown conceptually on Exhibit 2. A written document is currently being reviewed by the owner. Upon recordation, a copy will be provided to the City.

**P&Z AGENDA
ITEM**

C

City of Pearland

P&Z AGENDA REQUEST

TO: Planning and Zoning Commission
REQUESTOR: Evan M. DuVall
DATE: 04/11/2012
AGENDA ITEM SUBJECT: Master Plat of Kirby Crossing

Old Business **New Business** Discussion Item Workshop

Summary: A request by Daniel Coyer from TSC Engineering on behalf of New Broadway, LTD, owner for approval a Master Plat of Kirby Crossing on 21.871 acres, generally located at the Southwest corner of Broadway Street and Kirby Drive.

The previous Master Plat of Kirby Crossing was approved on 03/19/2012 by the Planning and Zoning Commission, but did not account for a Drill-Site easement located in the area where a detention pond was planned. This new submittal of the Master Plat for Kirby Crossing assures that drainage for this development will not be in conflict with the Drill-Site easement.

Staff Recommendation: Conditional Approval

PLANNING AND ZONING COMMISSION MEETING OF April 16, 2012

Master Plat of Kirby Crossing

A request by Daniel Coyer from TSC Engineering, applicant, on behalf of New Broadway, LTD, owner for approval a Master Plat of Kirby Crossing on 21.871 acres of land, on the following described property, to wit

Legal Description: Being a 21.871 acres of land out of the H.T. & B.R.R Company Survey Section 81, abstract 300, City of Pearland, Brazoria County, Texas.

General Location: Southwest corner of Broadway Street and Kirby Drive.

SUMMARY: On behalf of New Broadway, LTD, Daniel Coyer of TSC Surveying has applied for a Master Plat of Kirby Crossing, located in the most westerly portion of the Town Center Planned Unit Development. The purpose of the Master Plat is to delineate the sequence and timing of development in order to determine compliance with the City's Comprehensive Plan and capacity of public improvements needed for this subdivision.

The previous Master Plat of Kirby Crossing was approved on 03/19/2012 by the Planning and Zoning Commission, but did not account for a Drill-Site easement located in the area where a detention pond was planned. This new submittal of the Master Plat for Kirby Crossing assures that drainage for this development will not be in conflict with the Drill-Site easement.

SURROUNDING ZONING AND LAND USES:

	<u>Zoning</u>	<u>Current Land Use</u>
North	PUD (Shadow Creek Ranch)	Vacant Land
South	PUD (Town Center)	Water Treatment and Fire Station
East	PUD (Town Center)	Existing Town Center Development, Mixed Use Development
West	PUD (Ridge Rock)	Vacant Land

CONFORMANCE WITH THE TOWN CENTER PLANNED UNIT DEVELOPMENT (PUD):

The above submittal is in conformance with the Shadow Creek Ranch Planned Unit Development. The subject property is located within Sub-Areas "E" and "G" within this Planned Development. These areas are required to satisfy the parking, open space, and landscaping requirements of this Planned Development, and also have a development plan approved by the Planning Director prior to any building permit being issued.

As parcels within this area are developed, each parcel will have to satisfy the requirements of the Town Center Planned Development. These standards include requirements such as landscaping, undergrounding of utilities, storm water management and permitted uses.

The Town Center Development allowed for townhouses to be developed in sub area "D", but this Master Plat is showing that no townhomes are planned for the subject site.

PLATTING STATUS: The approval of this Master Plat will allow the platting of the subject property. A Minor Plat has been submitted for a proposed small corner grocery store at the southwest corner of Broadway Street and Kirby Drive.

PLAT ISSUES: The original submittal of the Master Plat did not provide required access to several parcels within this development. In particular, this design caused several parcels not to have the required frontage for the development. The applicant was advised that an internal access drive could provide the required access, provided that it satisfy the design specifications (landscaping, sidewalks and width).

CONFORMANCE WITH THE COMPREHENSIVE PLAN: The Future Land Use designation for the subject land shows a Major Retail Node at the intersection of Broadway Street and Kirby Drive. Additionally, Low Density Residential is also shown on southerly portion of the proposed development. The proposed Master Plat is in conformance to requirements of the Major Retail Node.

CONFORMANCE WITH THE THOROUGHFARE PLAN: The subject property is served by Broadway Street, a 120-foot Major Thoroughfare and Kirby Drive, a 100-foot Secondary Thoroughfare.

AVAILABILITY OF UTILITIES: This area has access to public water and sewer lines from the Broadway Street and Kirby Drive.

TOWN CENTER IDENTIFYING SIGNAGE: A total of two additional ground entrance signs depicted in the Town Center Development are permitted in Sub-Areas 'E' and 'G'. These signs would be permitted to have a height of 15 feet and have a total of 100 square feet of signage per face (displaying the name of the development). This is not a requirement of the Pearland Town Center, but would add to the branding of this Western Town Center District.

ADDITIONAL COMMENTS: There was an additional comment of addressing the entrances to the development with landscaping and/or other amenities to look more like a boulevard instead of a commercial driveway.

STAFF RECOMMENDATION: Staff recommends conditional approval of this Master Plat as proposed by the applicant for the following reasons:

Reasons for conditional approval recommendation:

1. Approval of this Master Plat is in conformance with the Pearland Town Center Planned Development.
2. The planned phasing for this development will assure a high-quality development.
3. Master Plat reflects the approved Traffic Impact Analysis and Drainage Report.

CONDITIONS OF APPROVAL:

1. Previously approved Master Plat for Kirby Crossing is expunged.

OUTSTANDING ITEMS:

There are no outstanding items.

DISCUSSION ITEMS

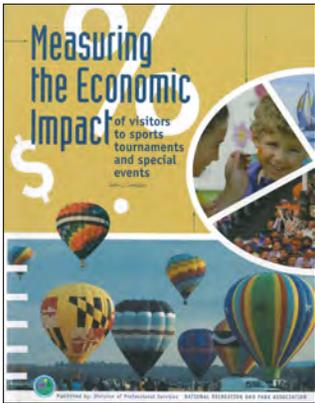

- 1. Commissioners Activity Report**
- 2. P&Z Strategic Plan Update**
- 3. Project Stars Update**
- 4. Dr. Crompton, Texas A&M Professor, to speak April 18, 2012 at 6:30 p.m. at the Pearland Recreation & Natatorium**
- 5. Next P&Z Meeting scheduled for May 7, 2012**

An Evening with Dr. John L. Crompton

Texas A&M University Distinguished Professor, Regents Professor, Presidential Professor for Teaching Excellence
Department of Recreation, Park and Tourism Sciences and Former College Station City Council Member

Topic: The centrality of recreation and park services to peoples' lives and the substantial direct and indirect contributions they make to the city's economic well-being.

Wednesday, April 18, 6:30 p.m.
Pearland Recreation Center & Natatorium
4141 Bailey Road
Pearland, Texas 77584

John L. Crompton holds the rank of University Distinguished Professor of Recreation, Park and Tourism Sciences, and is both a Regents Professor and a Presidential Professor for Teaching Excellence at Texas A&M University. He received his basic training in England. His undergraduate work was in physical education and geography at Loughborough College. After teaching high school for a year, he attended the University of Illinois where he completed a M.S. degree in Recreation and Park Administration in 1968. In 1970, he was awarded another M.S. degree from Loughborough University of Technology majoring in Business Administration. In 1974, Dr. Crompton came to Texas A&M University and received his doctorate in Recreation Resources Development in 1977.

Now a professor at Texas A&M, Dr. Crompton is Cintron University Professor for Excellence in Undergraduate Teaching. He has received the Bush Excellence Award for Public Service (presented personally by President H. W. Bush); the Vice-Chancellor's Award for Excellence in Graduate Teaching; the Texas Agricultural Experiment Station's Faculty Fellow and Senior Faculty Fellow Awards for exceptional research contributions; the University Distinguished Achievement Award for Research and the University Distinguished Achievement Award for Teaching.

Dr. Crompton is author or co-author of 16 books and a substantial number of articles which have been published in the recreation, tourism, sport and marketing fields. He is the most published scholar in the history of both the parks and recreation, and the tourism fields and has conducted many hundreds of workshops on Marketing and/or Financing Leisure Services. Dr. Crompton has lectured or conducted workshops in a number of foreign countries and has delivered keynote addresses at the World Leisure Congress and at Annual National Park and Recreation Conferences in Australia, Canada, Great Britain, Japan, New Zealand, South Africa, and the United States.

He is a past recipient of the National Park Foundation's Cornelius Amory Pugsley award for outstanding national contributions to parks and conservation; the National Recreation and Park Association's (NRPA) Distinguished Professional Award; the NRPA National Literary Award; the NRPA Roosevelt Award for outstanding research; the Distinguished Colleague and the Distinguished Teaching Awards of the Society of Park and Recreation Educators; and the Travel and Tourism Research Association's Travel Research Award.

He was a member of the NRPA's Board of Trustees for nine years; and is a past president of four professional bodies: the Texas Recreation and Parks Society; the American Academy of Park and Recreation Administration; the Society of Park and Recreation Educators and the Academy of Leisure Sciences. He is a Board member of the National Recreation Foundation.

In addition to his achievements in research and academics, Dr. Crompton served 4 years as a city councilman for College Station from 2007-2011, and was Mayor Pro Tem in 2010-2011. The city's population is 95,000, the annual budget is \$260 million; and there are approximately 1000 full-time employees.
