**OLD BUSINESS**

**CONSIDERATION & POSSIBLE ACTION – ZONE CHANGE APPLICATION NO. 2013-07Z**

A request of Christy Smidt (Kerry G. Gilbert & Assoc.), applicant and Beeman E. Strong (for the Settegast Family), owner, for approval of a zone change from the Planned Development (PD) zone to the Planned Development (PD) zone for 31.3165 acres, to wit:

**Legal Description:** Being a 30.7935 acre (1,341,365 square foot) tract of land

---

situated in the Thomas J. Green Survey, Abstract Number 198 in Brazoria County, Texas, and being out of and a part of the called 118.775 acre tract of land described in deed to Marion E. Settegast, et al as recorded in Volume 1421, Page 25 of the Brazoria County Deed Records, said 31.3165 acre tract of land.

**General Location:** Approximately 700' North of Broadway on Pearland Pkwy

A motion was made by Commissioner Matthew Hanks and seconded by Mary Starr.

City Planner Harold Ellis presented the staff report and indicated that the layout had not changed from the last meeting. He explained that from the previous P&Z Meeting this item had been tabled until the May 6<sup>th</sup> meeting. He also stated that all the conditions had been met by the applicant.

Chairperson Henry Fuertes had general questions regarding excluded use of extended stay hotels as noted on the appendix and whether that included hotels in general. City Planner Ellis stated he would verify and let him know. There were no objections mentioned and the vote was 7 – 0.

## **NEW BUSINESS**

### **CONSIDERATION & POSSIBLE ACTION – MASTER PLAT OF BUSINESS CENTER PD**

A request by Eric D. Johnson of IDS Engineering Group, applicant, on behalf of Joe L. Moody, owner for approval of a Master Plat of Business Park PD, a commercial subdivision on 38.90 acres of land, generally located at the 3600 Block of County Road 59.

**Legal Description:** A subdivision of 38.9 acres of land out of the H.T. & B.R.R. Survey, Abstract 300, City of Pearland, Brazoria County, Texas.

**General Location:** 3600 Block of County Road 59

A motion was made by Commissioner Matthew Hanks and seconded by Commissioner Mary Starr.

Planner II Ian Clowes presented the staff report and explained that the applicant was doing a Master Plat because it was part of a Planned Development (PD), which is a requirement. He further explained that this is the first phase of the platting process and is currently vacant property. He also informed the Commission that the Master Plat had met all the requirements of the PD and there were no conditions for approval. Commissioner Matthew Hanks asked if Business Center Drive would eventually connect at the location of this property and the applicant indicated it would probably happen as soon as July or August. There was no further discussion and the vote was 7 – 0.

### **CONSIDERATION & POSSIBLE ACTION - PRELIMINARY PLAT OF CANTERBURY PARK SECTION 2**

A request by Pape-Dawson Engineers, Inc., applicant, on behalf of KB Home Lone Star, Inc., owner for approval of a Preliminary Plat of Canterbury Park section 2, a 51 lot subdivision on 13.21 acres of land, generally located at the 4000 Block of Springfield Ave.

**Legal Description:** A subdivision of land containing 13.2144 acres out of the Canterbury Park Section 1 Survey, City of Pearland Texas, County of Brazoria, Texas.

**General Location:** 4000 Block of Springfield Ave.

Vice-Chairperson Linda Cowles made a motion and it was seconded by Commissioner Daniel Tunstall.

Planner II Ian Clowes presented the staff report. He explained that Section 1 had been platted and approved in 2004. The original plat for Section 2 was submitted in 2007 and was larger at that time covering about 90 lots but no longer valid and the newly proposed plat was approximately 51 lots. He further explained that it is currently split zoned as PD and R2 and does meet both the requirements of both zones. Staff did not have any conditions for approval of this plat. Commissioner Tunstall asked if there were any drainage issues with Canterbury Park that this would affect and Assistant City Engineer Richard Mancilla answered that he was not aware of any issues. Mr. Randy Odinet of Pape-Dawson Engineers added that they were going to further expand the existing detention pond. There was no further discussion and the vote passed 7 – 0.

#### **CONSIDERATION & POSSIBLE ACTION - PRELIMINARY PLAT OF GOLFCREST ESTATES**

A request by Chad Gormly of Gormly Surveying, Inc., applicant, on behalf of Howard Palmer, owner for approval of a Preliminary Plat of Golfcrest Estates, a 7 lot subdivision on 4.59 acres of land, generally located at the 2700 Block of Country Club Drive.

**Legal Description:** A 4.59 acre tract of land, being out of a tract of land as conveyed to Golfcrest Country Club by deed as recorded in Volume 7259, Page 5, Deed Records, Harris County, Texas, Situated in the W.D.C Hall Survey, abstract 23, Harris County, Texas.

**General Location:** 2700 Block of Country Club Drive

A motion was made by Vice-Chairperson Linda Cowles and seconded by Commissioner Daniel Tunstall.

Planner II Ian Clowes presented the staff report indicating seven proposed lots in Green Tee Subdivision of which will partially take over part of the land currently being used by the golf course. He pointed out the maintenance building which will remain as it is. He also pointed out the location of the future access as the current access easement will eventually be abandoned. He stated staff had no outstanding conditions of approval and the vote was passed 7 – 0.

#### ***DISCUSSION ITEMS***

---

1. Commissioners Activity Report – Due to the time constraints of a recessed workshop, the Commissioners who attended the National APA Conference in Chicago deferred their report to the next P&Z Regular Meeting to be held on May 20, 2013. Vice-Chairperson Linda Cowles encouraged the Commissioners to read the Houston Chronicle's Ultimate Pearland article referencing views about how Planning and Zoning conducts business. There was also discussion regarding the upcoming City Election and early voting turnout which appeared to be approximately 1200.
2. Zoning Update – City Planner Harold Ellis reviewed the list of Zone Changes and Conditional Use Permits cases that are currently active and have been processed in the last six months.
3. Next P&Z Meeting– May 20, 2013
4. Next Joint Public Hearing – May 20, 2013 – No one indicated they would be absent.
5. National APA Conference in Chicago – City Planner Harold Ellis suggested that this be discussed at the next P&Z Meeting on May 20, 2013.

City Planner Harold Ellis stated on May 13th, there would be a demonstration having to do with electronic message signs approximately 8:00 p.m. or 8:30 p.m. and there would be more information forthcoming.

#### **ADJOURNMENT**

## JOINT PUBLIC HEARING AGENDA ITEM MEETING OF MAY 20, 2013

---

### Conditional Use Permit No. CUP 2013-04

A request of James Elmore of Cisneros Design Group, applicant for Amegy Bank, owner, for approval of a Conditional Use Permit to allow for Auto Wash – Self Service in the General Business (GB) zone, on property located at the 8400 Block of Broadway, more specifically described as

**Legal Description:** Being a 3.395 acre tract of land being a portion of land called “Tract Two” described in a deed from R.R. Viada and Agnes M. Viada to R. R. Viada or Agnes M. Viada, Trustee, under Viada Family Living Trust, as recorded under Brazoria County Clerk’s File Number (C.F.) 2005 003071, of the Official Public Records of Real Property of Brazoria County, Texas and being a portion of Lot 27, of the Allison-Richey Gulf Coast Home Co’s Part of Suburban Gardens Subdivision of Section 21, of the H.T.& B. Railroad Company Survey, Abstract Number 309, Brazoria County, Texas.

**General Location:** 8400 Block of Broadway Street

**APPROVAL PROCESS:** After this Joint Public Hearing, the requested zone change application will be considered as follows:

Planning and Zoning Commission:	May 20, 2013*
City Council for First Reading:	June 10, 2013*
City Council for Second Reading:	June 24, 2013*

(\*dates subject to change if item is tabled)

---

**SUMMARY:** The applicant is requesting a Conditional Use Permit (CUP) to build an Auto Wash (Self-Service) on the subject parcel in conjunction with a proposed gas station/retail development. The property is currently zoned General Business (GB), which permits the proposed gas station/retail by right and an auto wash use with the approval of a CUP.

The proposed type of auto wash facility will be unattended and utilizes automated self-service (drive-through/rollover) wash bays and apparatus in which the vehicle owner

inserts money or tokens into a machine, drives the vehicle into the car wash bay, and waits in the vehicle while it is being washed.

The access to the facility is proposed from Broadway. Preliminary Site plan drawings show the tunnel opening facing Broadway. The applicant is proposing landscaped islands and peninsulas to screen the opening from view along Broadway.

**SURROUNDING ZONING AND LAND USES:**

	<b>Zoning</b>	<b>Land Use</b>
<b>North</b>	General Business (GB)	Shopping Center
<b>South</b>	General Business (GB)	Vacant
<b>East</b>	General Business (GB)	Single Family Home
<b>West</b>	General Business (GB)	Commercial Retail

**CONFORMANCE TO THE UNIFIED DEVELOPMENT CODE (UDC):** The subject property is currently zoned General Business (GB). The overall parcel is 3.395 acres and meets the minimum size for the GB zone.

	<b>GB</b>	<b>Actual</b>
<b>Lot Width</b>	150'	361.3'
<b>Lot Depth</b>	125'	415.6'
<b>Total Lot Area</b>	22,500 Sq. Ft.	3.395 Acres

The property will be required to meet all current requirements of the Unified Development Code for the proposed use.

**PLATTING STATUS:** The property has been platted as Amending Plat of Amegy Bank.

**CONFORMANCE TO THE COMPREHENSIVE PLAN:** The Comprehensive Plan recommends *Retail, Offices, and Services* for the subject property and the surrounding properties. The Comprehensive Plan further indicates that the appropriate zoning districts are General Business (GB), and Office Professional (OP). The existing zoning and the proposed use with an approved CUP are in compliance with the Comprehensive Plan.

**CONFORMANCE TO THE THOROUGHFARE PLAN:** The subject property has frontage on Broadway, a major thoroughfare with right-of-way of 120', and Cullen, a secondary thoroughfare with right-of-way of 100'. There are not any dedications required for Broadway or Cullen, as the property is already platted. The proposed Conditional Use

Permit is in conformance with the Thoroughfare Plan.

**AVAILABILITY OF UTILITIES:** The subject parcel is served by public water and sewer.

**IMPACT ON EXISTING AND FUTURE DEVELOPMENT:** The applicant is requesting approval of a Conditional Use Permit that would allow an auto wash to be built as part of a gas station development/ retail development. It is not anticipated at this time that the proposed use will have any impacts on the surrounding development which are not able to be mitigated for.

Staff's only concern pertains to the proposed carwash bays facing Broadway, a Corridor Overlay District, and therefore recommends a condition of approval that would require the applicant to add additional screening to the area of the auto wash that faces Broadway. This additional screening is shown on the submitted site plan. In recent automotive related cases, Council has requested that outdoor activity be screened from the City's Corridor Overlay Districts.

**ADDITIONAL COMMENTS:** This request has been reviewed by the City's Development Review Committee (DRC) and there are no additional or outstanding comments from other departments.

**SITE HISTORY:** The property was annexed into the city in 1995 and was Zoned GB at that time. The site is currently vacant and has no past zoning or CUP cases.

**SITE PLAN CONSIDERATIONS:** A site plan was submitted with the application. The plan shows the auto wash being located near Broadway St. frontage with the bays facing toward Broadway, with screening.

**PUBLIC NOTIFICATION:** Public notice/comment forms were mailed to property owners within 200 feet of the subject property under consideration. A legal notice of public hearing was published in the local newspaper, and a sign advertising the proposed Conditional Use Permit was placed on the subject property.

**OPPOSITION TO OR SUPPORT OF PROPOSED REQUEST:** Staff has not received any comments either in opposition to or in support of the proposed Conditional Use Permit request at this time.

**STAFF RECOMMENDATION:** Staff recommends approval of the Conditional Use Permit No. CUP 2013-04 as proposed by the applicant for the following reasons and the following conditions:

1. The proposed Conditional Use Permit should not have any significant negative impact on the surrounding properties and developments.
2. The proposed Conditional Use Permit is in conformance with the current land use plan.

3. This proposed Conditional Use Permit is compatible with the neighboring properties' zoning classification

**CONDITIONS:**

1. Auto wash bays be screened from Broadway per the submitted landscaping plan.
2. Auto wash be developed in accordance with detailed site plan.

Re: Conditional Use Permit  
8416 Broadway @ Cullen

Dear Sirs:

Please accept this as a letter of intent and as formal request for Conditional Use Permit. In conjunction with a convenience store with retail fuel sales, we would like to develop a 2400 square foot self service tunnel type car wash. Hours of operation would mirror convenience store so as to make certain supervisory staff would always be available. Layout would be a per site plans submitted with this application.

In the interest of having an attractive facility, the actual was activity would be well screen from view on Broadway.

### Zone Change No. 2013-08Z

A request of Collin Tadlock, applicant and The Grocers Supply Co., Inc., owner, for approval of a zone change from the General Business (GB) zone to the General Commercial (GC) zone, to wit:

**Legal Description:** Being a 1.0090 acre tract of land out of the Allison-Richey Gulf Coast Home Company Subdivision of Section 9, H.T.& B. Railroad Company Survey, Abstarct No. 234, Brazoria County, Texas, according to the plat recorded in Volume 2, Page 24, of the Brazoria County Plat Records; this tract being a portion of the Dan Keller, Trustee, et al, call 9.977 acre tract (Volume 1748, Page 448, Brazoria County Deed Records).

**General Location:** 7201 Broadway St., Pearland, TX

**APPROVAL PROCESS:** After this Joint Public Hearing, the requested zone change application will be considered as follows:

Planning and Zoning Commission:	May 20, 2013*
City Council for First Reading:	June 10, 2013*
City Council for Second Reading:	June 24, 2013*

(\*dates subject to change)

---

**SUMMARY:** Richard Tadlock, applicant and The Grocers Supply Co., Inc., owner, are requesting approval of a zone change from the General Business (GB) zone to the General Commercial (GC) zone for the above referenced location. The site was formerly a Valero gas station. The underground storage tanks have been removed and the applicant is now seeking a new tenant for the existing building. If approved, the applicant has indicated that a pawn shop is interested in leasing the property. Pawn Shops are permitted by right within the GC zone, and therefore will be permitted at this location if this request is approved.

The development requirements for the GB and GC zone are similar, with the major deviation being the allowed uses. A number of uses that are not permitted in the GB zone and are not considered to be compliant with the surrounding land uses or the existing Corridor Overlay District, are permitted in the GC zone.

**SURROUNDING ZONING AND LAND USES:**

	<b>Zoning</b>	<b>Land Use</b>
<b>North</b>	General Business (GB)	Grocery Store/Retail Center
<b>South</b>	General Business (GB)	Gas Station
<b>East</b>	General Business (GB)	Commercial
<b>West</b>	General Business (GB)	Fast Food

**CONFORMANCE WITH THE UNIFIED DEVELOPMENT CODE (UDC):** As previously mentioned, the property is currently zoned General Business (GB). The applicant is seeking a zone change to General Commercial (GC). The current site is in conformance with both the GB and GC zones.

	<b>GB/GC</b>	<b>Actual</b>
<b>Lot Width</b>	150'	210'
<b>Lot Depth</b>	125'	234'
<b>Total Lot Area</b>	22,500 Sq. Ft.	1.009 Acres

**PLATTING STATUS:** The property is currently platted as part of the Albertson's Pearland Plat. Additional platting would not be required at this time.

**CONFORMANCE WITH THE COMPREHENSIVE PLAN:** The current Comprehensive Plan (latest update in 2009) indicates *Business Commercial* for the subject property. The Comprehensive Plan further indicates that GB or GC would be an appropriate zoning district for *Business Commercial*. The property's current zoning of General Business (GB) and the requested General Commercial (GC) would both be considered appropriate zoning districts for the site.

**CONFORMANCE WITH THE THOROUGHFARE PLAN:** The subject property has frontage on Broadway and Reid Rd., both major thoroughfares with a minimum of 120' right-of-way. In the future, Reid road will connect to the north with existing Max Rd.

**AVAILABILITY OF UTILITIES:** The subject parcel does have access to public water and public sewer.

**IMPACT ON EXISTING AND FUTURE DEVELOPMENT:** The proposed zone change, if approved, would have several negative impacts on existing or future developments in the immediate area. The proposed site is surrounded by existing commercial uses all

of which are currently zoned General Business (GB).

Certain uses that are permitted in the GC zone but not permitted in the GB zone (by-right), may not be appropriate for this site and may be in conflict with existing land uses in the area. Example of these uses are listed below:

- Auto Repair (Major)
- Auto Repair (Minor)
- Auto Wrecker Service
- Boat Sales
- Bus or Truck Storage
- Motorcycle Sales/Dealer
- Tire Sales (Outdoors, With Open Storage)
- Truck and Bus rental or sales
- Tavern (Allowed in GC with approved CUP)
- Building Material Sales
- Dance Hall or Night Club (CUP in GB, Permitted in GC)
- Lumber Mill/Yard
- Manufactured Home Display, Sales and/or Rental
- Metal, Machine, or Wood Shop.
- Office Warehouse Storage or Sales
- Pawn Shop, Pay Day Loan and Gold Exchange
- Kennel with Outdoor Pens.

Furthermore, a number of new developments have been proposed or begun construction in this general area. It is anticipated that this requested zone change, if approved, would have an impact on these high quality developments and negatively influence future developments in the area.

**ADDITIONAL COMMENTS:** This request has been reviewed by the City's Development Review Committee and there are no additional comments from other departments at the time of this report.

**SITE PLAN CONSIDERATIONS:** A site plan is not required for a zone change, however the property is currently developed and staff is unaware of any proposed changes to the site at this time.

**PUBLIC NOTIFICATION:** Public notice/comment forms were mailed to property owners within 200 feet of the subject property under consideration. A legal notice of public hearing was published in the local newspaper, and a notification sign was placed on the subject property.

**OPPOSITION TO OR SUPPORT OF PROPOSED REQUEST:** Staff has not received any comments either in opposition to or in support of the proposed zone change request at the time of this report.

**STAFF RECOMMENDATION:** Staff is unable to recommend approval of the Zone Change 2013-08Z as proposed by the applicant for the following reasons:

1. The potential uses allowed in the GC zone, for example a Pawn Shop, would not be in conformance with the surrounding GB uses and would negatively impact new and proposed development in the immediate area.
2. The proposed zone change would likely have a negative impact on the surrounding properties and developments. There are a number of vacant lots in the vicinity that are zoned GB. When developed, these GB lots will be required to meet all development requirements of the Corridor Overlay District. At this time, the subject parcel and the existing building is not required to come into conformance with these requirements. Improvements that would not be triggered include landscaping, sidewalk, and façade (if applicable).

RE: Letter of Intent

To Whom It Concerns,

My name is Collin Tadlock and I work for The Grocers Supply Co, Inc. the owner of the tract of land in which we are seeking to change the zoning from a General Business Retail District (GB) to a General Commercial District (GC). In regards to the tract of land in the past it was a used for a Valero gas station and at the end of their lease term the tenant decided not to renew their lease based on competition on either side of the street. We tried to lease the space to other gas station operators but, could never come to an agreement based on costs and competition in the area. In late 2012 we decided to have the underground storage tanks (UST's) removed from the site as well as remove the fuel pumps and canopy and convert the store into a retail site. Since that time we have had the property listed with the brokerage firm (UCR) who has been trying to Lease the space for us. UCR have been approached by Half Price Pawn and Jewelry also, known as Money Mart to place one of their stores at the site. Half Price Pawn and Jewelry would take the entire building (1,800 SF). When we began looking into this tenant we found out that the current zoning for this site is a GB and does not allow for this type of use. We are seeking approval to change the zoning to a GC to allow for this type of occupant so, that they will be able to operate as a pawn shop, pay day loan, and gold exchange operator. We have currently executed a Lease with this tenant but, it is contingent on us being able to change the zoning for this site.

If you have any other questions, I can be reached at 713-749-9399.

Thanks you for your assistance,

### **SUMMARY**

The Chamber of Commerce has been working with staff to amend the regulations regarding electronic signs. A workshop was held in February and March with the City Council in this regard. A visual demonstration of the existing requirements and proposed changes was held on May 10, 2013. Several changes have been proposed to the current regulations regarding Electronic Changeable Message Signs (ECMS), as shown below. The additions are shown in red, and deletions are stricken out.

In summary, the amendments include the following:

1. Type:

Permit either scrolling sign or changing message sign on one monument sign, with the following restrictions:

- a. For changing message signs, reduce the minimum static time from six (6) seconds to four (4) seconds and allow fading/ cross fading transition of less than 1 second.
  - b. Permit scrolling signs that are not taller than 12" with a minimum static display of 2 seconds and scrolling transition of not greater than 1 second.
2. Color:
- a. For changing message signs remove restriction on colors and allow more than one color. Currently, the flashing display (i.e., changeable message) portion is limited to one (1) color, and limited to white, gold, yellow, red, blue, or green.
  - b. For scrolling signs, limit the colors to two - one color for letters and one for the background.
3. Require that all Electronic Changeable Message Signs (ECMS) are equipped with automatic dimming technology.
4. Require that ECMS shall not exceed a brightness level of three-tenths (0.3) of a foot candle above ambient light.
5. Existing non-conforming signs that are not equipped with dimming technology and are limited to one color are exempt from dimming requirement.
6. Add the following definitions:
- (369) SIGN, ANIMATED:** A sign with any visual effect of a light source which causes the perception of movement of graphics or text.
- (376) SIGN, FLASHING/BLINKING:** Sign with a type of animation characterized by cyclical switching of visual content between on and off states in rapid successive increments of less than two (2) seconds.
- (392) SIGN, SCREEN TRANSITION:** A type of animation used to transition from one message to another and lasting less than 1 second.
- (393) SIGN, SCROLLING:** Sign with a type of animation which causes displayed text or graphics to move continuously up, down, or across the screen, so that a line of text or graphics appears at one edge of the screen for each line that moves off the opposite edge.

**PUBLIC NOTIFICATION:** A legal notice of public hearing was published in the local newspaper.

**OPPOSITION TO OR SUPPORT OF PROPOSED REQUEST:** Staff has received one letter from Keep Pearland Beautiful that has been attached.

**STAFF RECOMMENDATION:** It is staff's opinion that the majority of the proposed changes will be beneficial to the business community and will not have any negative impacts to the city in general.

These changes will address the two different types of electronic signs that have been discussed over the past few months - the scrolling signs as well as the electronic boards. Addition of the scrolling sign as a permitted sign, as proposed, will bring some existing signs into conformance.

It is staff's belief that these changes will not negatively affect the Scenic City guidelines, and will not hinder the City's quest to attain platinum certification in the future.

With the new requirements on brightness and clarification of transition time, the changes will have a positive impact on safety and aesthetics.

For these reasons, staff is in favor of these changes.

## Unified Development Code

### Proposed changes to regulations regarding Electronic Changeable Message Signs

Additions are shown in red, deletions are stricken out.

#### Chapter 4

#### Section 4.2.5.3 (b)

(7) Electronic Changeable Message Sign (**ECMS**): An electronic changeable message sign that conforms to the size and locational requirements of this Section shall be permitted with adherence the following:

- a. Each monument sign shall include either an electronic changeable message sign or a scrolling sign with the following restrictions:
  1. Each message displayed on an electronic changeable message sign must be static or depicted for a minimum of ~~six (6)~~ four (4) seconds **before a new screen or message is displayed, with fading transition of less than one (1) second.**
  2. Messages displayed on a scrolling sign **are** is permitted, ~~but~~ and must also conform to the minimum of ~~six (6)~~ two (2) seconds static display with a maximum scrolling transition time of one (1) second.
  3. Screens which change at a more rapid rate will be considered flashing and are prohibited. Scrolling messages designed to resemble flashing signs are also prohibited. All other animations, including videos, flashing / blinking, and other visual motion effects, are not permitted. No content may resemble any sort of traffic control, warning, or regulatory device in its shape, symbol, text, or attention getting effects.
- b. The ~~flashing display~~/**Electronic display** (i.e., changeable message) portion of **an electronic changeable message sign** shall not exceed twenty-five (25) percent of the total allowable effective sign area. **For scrolling signs the height of the scrolling display area shall not exceed 12" inches.**
- c. The ~~flashing display (i.e., changeable message) portion shall be limited to one (1) color, and shall be limited to white, gold, yellow, red, blue, or green. The Planning Director shall determine whether proposed colors conform to these colors.~~ **There will be no restriction of color use for any ECMS, with the exception that scrolling signs shall be limited to two colors, one color for the background and the second color for the message.**
- d. The addition of any flashing display (i.e., changeable message) to any nonconforming sign is prohibited.
- e. All ECMS shall be equipped with automatic dimming technology that adjusts brightness in direct correlation with ambient light conditions. Existing electronic signs that lack this technology need not conform to this requirement. Existing scrolling signs limited to one background color and one color for messages are also exempt from this dimming requirement.
- f. No ECMS shall exceed a brightness level of three-tenths (0.3) of a foot candle above ambient light as measured using a foot candle meter at a preset measuring distance

from the sign face. Measuring distance shall be determined by taking the square root of the product of the electronic display portion of the sign area and one hundred.

Example: For a 12 square foot sign, measuring distance =  $\sqrt{(12 \times 100)} = 34.6$  feet from the sign.

Existing signs that lack this technology need not conform to this requirement.

## Chapter 5

### Add the following definitions.

**(366) SIGN:** Any object, device or display facing the exterior (outdoors), which is used to inform or give direction or to advertise or identify a person, organization, business, product, service, event or location by any means, including words, letters, numbers, symbols, figures, or illumination.

**(367) SIGN, ALLOWABLE EFFECTIVE AREA:** The effective area shall be measured from the highest point on the sign to the elevation of the center of the base of the sign by the width at the highest point (refer to *Figure 4-7*). The highest point and the width shall be inclusive of all supports and framing.

**(368) SIGN COPY:** The letters, numbers, symbols or geometric shapes, either in permanent or changeable form, on the surface of a sign.

**(369) SIGN PERMIT:** A City-issued permit that authorizes the display, erection, rebuilding, expansion or relocation of any on-premises or off-premises sign and that conforms to Chapter 4, Article 1, Division 2, Section 4.1.2.6 of this UDC.

**(370) SIGN, ANIMATED:** A sign with any visual effect of a light source which causes the perception of movement of graphics or text.

**(371) SIGN, ATTACHED:** Any sign attached to, applied on or supported by any part of a building or accessory structure, including awnings and other similar permanent attachments to the buildings. Also may be referred to as "building sign".

**(372) SIGN, BILLBOARD:** A, off-premise sign which is subject to regulation under the provisions of the Federal Highway Beautification Act, 23 U.S.C.A. Section 131 et seq., as amended.

**(373) SIGN, BLADE:** A non-illuminated panel sign with dimensional copy suspended from a decorative bracket attached to the building, typically upon a merchant's storefront, permitted for occupant identification purposes only, and limited to 1 blade sign per public entrance where public foot traffic occurs, and limited to two square feet per face.

**(374) SIGN, BUILDER/SUBDIVISION:** Any sign that advertises 1) a new subdivision for the purpose of selling lots, land, and/or buildings and/or 2) a builder(s) that has lots, land, or buildings for sale. Such sign may or may not be directional.

**(375) SIGN, COMMUNITY INFORMATION:** Any sign which promotes items of general interest to the community including time, temperature, date, atmospheric conditions and upcoming noncommercial events or charitable causes.

**(376) SIGN, ELECTRONIC CHANGEABLE MESSAGE:** Any sign with a fixed or changing display/message composed of a series of lights that may be changed through electronic means.

**(377) SIGN, FLASHING/BLINKING:** Sign with a type of animation characterized by cyclical switching of visual content between on and off states in rapid successive increments of less than four (4) seconds.

**(378) SIGN, FREESTANDING:** An on-premise sign which advertises an establishment and is located on the premises owned or controlled by said establishment, which is supported by a single vertical support anchored or set into the ground.

**(379) SIGN, GROUND:** Also referred to as a *Monument Sign*. A sign which is supported by one (1) monolithic structure which is not less in width than one-half ( $\frac{1}{2}$ ) the maximum sign height, set upon the ground and is not part of a building, including ground signs that advertise for more than one occupancy on the premises (multi-tenant).

**(380) SIGN, ILLUMINATED:** A sign exposed to artificial lighting by light sources located on or in the sign or specifically directed toward the sign.

**(378) SIGN, MARQUEE:** A sign with slots or wires for inserting individual letters so that a message about products sold or services provided on the same premises may be changed.

**(381) SIGN, MONUMENT:** See *Ground Sign*.

**(382) SIGN, MULTI-TENANT:** An on-premise sign with the name of the primary on-site facility and a list of the individual stores or businesses mounted on such sign. Examples include signs describing a mall arrangement, a shopping center development, and industrial park complex, or a complex of buildings with a unifying name and group of businesses.

**(383) SIGN, MULTI-USER:** A ground sign used to advertise more than two (2) businesses that are part of an integrated business development. A multi-user sign shall be located on the premises of one of said businesses, but shall be allowed to be off-premise signage as to the other businesses that are part of the integrated business development.

**(384) SIGN, NON-COMMERCIAL or NON-BUSINESS:** A sign with a message that does not contain or convey commercial context or information or advertising for any business, commodity, service, entertainment, product or other attraction or event.

**(385) SIGN, NONCONFORMING:** means any sign lawfully existing on the effective date of the ordinance from which the sign regulations in this Unified Development Code derive which does not conform to all the standards and requirements of this Unified Development Code.

**(386) SIGN, OFF-PREMISE PORTABLE:** An off-premise sign which is also a portable sign.

**(387) SIGN, OFF-PREMISE:** A sign displaying advertising copy that pertains to a business, person, organization, activity, event, place, service, or product not principally located or primarily manufactured or sold on the premises on which the sign is located.

**(388) SIGN, ON-PREMISE:** A sign displaying advertising copy that pertains to a business, person, organization, activity, event, place, service, or product principally located or primarily manufactured or sold on the premises on which the sign is located.

**(389) SIGN, PERMANENT:** A sign designed to be anchored to the ground, a building or other structure for the duration of the use of the premises.

**(390) SIGN, POLITICAL:** A sign that contains primarily a political message and that is located on private real property with the consent of the property owner.

**(391) SIGN, PORTABLE:** Any sign designed or constructed to be easily moved from one location to another, including, but not limited to, signs mounted upon or designed to be mounted upon a trailer, bench, wheeled carrier, A-frame, or other non-motorized mobile structure; a portable sign which has its wheels removed shall still be considered a portable sign hereunder. For the purpose of this definition, trailer signs and signs on benches are “portable signs”.

**(392) SIGN, REAL ESTATE:** A sign which has the purpose of advertising for sale a parcel of real property or an estate in land, including rentals.

**(393) SIGN, SCREEN TRANSITION:** A type of fading animation used to transition from one message to another and lasting less than 1 second.

**(394) SIGN, SCROLLING:** Sign with a type of animation which causes displayed text or graphics to move continuously up, down, or across the screen, so that a line of text or graphics appears at one edge of the screen for each line that moves off the opposite edge.

**(395) SIGN, SUBDIVISION IDENTIFICATION:** Any sign that is a permanent sign identifying an entrance to a residential or nonresidential (e.g., office park) subdivision.

**(396) SIGN, SUSPENDED:** Signs which hang or are suspended from any projecting element off the façade of the building. This can include Blade Signs.

**(397) SIGN, TEMPORARY:** Any sign constructed of cloth, canvas, light fabric, cardboard, wallboard, plywood, or other light materials with short life expectancies. A portable sign shall not be considered a temporary sign.

Planning and Zoning  
City of Pearland  
3519 Liberty Dr.  
Pearland, TX. 77581

May 7, 2013

Dear Planning and Zoning Commissioner,

Keep Pearland Beautiful continues to support local business as a means to build a stronger community, and recognizes that electronic signs are useful and purposeful. Representing our community's interest in promoting economic growth and improving the quality of life for our citizens, KPB asks the city to carefully evaluate any proposed changes to the current city electronic sign ordinance in keeping with Texas Scenic City criteria for electronic sign regulation.

Though Keep Pearland Beautiful has no strong objections to the proposed changes in the use of color, addition of dimming technology, prohibiting flashing signs, and maintaining the current display ratio of 25%, we believe that the other proposed changes compromise the quality of life and safety of our community.

As a Gold Level Scenic City, Pearland strives for Platinum certification, and the modifications to the electronic sign ordinance would jeopardize our ability to maintain even a Gold Level Certification. Decreasing the static or scrolling message transition for electronic signs to less than 6 seconds violates the Scenic City electronic sign criteria and will compromise our city's Gold certification. As it stands, Pearland was awarded the minimum number of points (270) for Gold Level Certification and it is unlikely those points awarded for the current electronic sign ordinance can be made up in other parts of the application.

It is our belief that the current ordinance in the Unified Development Code provides Pearland the best opportunity to pursue Platinum Level Certification as well as deliver the quality of life that residents and the business community can be proud of and deserve.

Keep Pearland Beautiful shares in the same goals to drive economic development, improve quality of life, and support local businesses in the Pearland community. Thank you for your continued efforts to help Keep Pearland Beautiful fulfill its vision and make Pearland one of the cleanest, most beautiful cities in Texas!

Re: Southern Trails Section 14  
LJA Job No. 1021-0402 (5.0)

Dear Planning & Zoning Commission/Planning Director:

Please accept for consideration the following request for waiver of decision time pursuant to Section 3.1.1.4 (b) of Pearland's Unified Development Code. LJA Engineering, Inc., hereby requests an additional forty (40) days before the Planning & Zoning Commission/Planning Director must act upon the plat know as Southern Trails Section 14.

LJA Engineering, Inc. agrees that the above waiver, if granted, shall be construed as tolling the official filing date of the above plat by the number of days granted pursuant to this request.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Alan McKee', is written over a horizontal line.

## Final Plat of Southern Trails Section 14

A request by Warren Escovy of LJA Engineering, applicant, on behalf of CL Ashton Woods, LP, owner, for approval of a Final Plat of Southern Trails Section 14, a 78 lot single-family residential subdivision.

**Legal Description:** Being 38.254 acres of land located in the H.T. & B.R.R. Co. Survey, Section 80, AKA J.S. Talmage Survey, Abstract No. 564, Brazoria County, Texas being all of Lot 32 and a portion of Lots 23, 24, 25, 31, 33, 34, 42, 43, and 44 of said Section 80, of the Allison Richey Gulf Coast Home Company part of Suburban Gardens, a subdivision of record in Volume 2, Page 98, Plat Records, of said Brazoria County, more particularly being a portion of residue of that certain 522.62 acre tract described in the deed from Ashton Southern Trails joint Venture to CL Ashton Woods, L.P., recorded under Doc. #2005016204, in the Official Records of Brazoria County, Texas (B.C.O.R.).

**General Location:** Approximately 550 feet east of the southeast corner of Southern Trails Drive and Ashton Oak Drive.

---

**SUMMARY:** On behalf of C.L. Ashton Woods, Warren Escovy of LJA Engineering has submitted a Final Plat for Southern Trails Section 14, a 78 lot single-family subdivision on 38.254 acres within the Southern Trails Planned Unit Development. A large portion of this subdivision, 6.8 acres, is a wet bottom drainage pond and lake.

### **SURROUNDING ZONING AND LAND USES:**

	<u>Zoning</u>	<u>Land Use</u>
North	PUD (Southern Trails)	Drainage
South	PUD (Southern Trails)	Vacant Land and Drainage
East	PUD (Southern Trails)	Southern Trails Section 9A
West	PUD (Southern Trails)	Vacant Land and Drainage

**UNIFIED DEVELOPMENT CODE:** The Unified Development Code does not apply to the subject development as it is under the previous Subdivision Ordinance and Land Use and Urban Design Guidelines.

**CONFORMANCE WITH THE SOUTHERN TRAILS PUD:** The above submittal is in conformance with the Southern Trails Planned Development. The required trail section has been constructed on the west boundary of this plat. This Trail System provides the opportunity to utilize the wet bottom detention ponds and participate in active and passive recreation within Southern Trails.

**Exhibit 1: Southern Trails Amenities**

**COMFORMANCE TO LOT REQUIREMENTS:** The proposed subdivision satisfies the minimum requirements for Southern Trails Planned Unit Development, under the R-1 (Single-Family Residential-1) designation (See Table 1: Area Regulations: R-1)

Table 1: Area Regulations: R-1		
Size of Lots	Required	Proposed
a) Minimum Lot Area	8,800 SF	11,475 SF
b) Minimum Lot Width	80 Feet	85 Feet
c) Minimum Lot Depth	90 Feet	135 Feet
d) Maximum Lot Coverage	60%	< 60%

**CONFORMANCE WITH THE COMPREHENSIVE PLAN:** The Future Land Use

designation for the subject land is Low-Density Residential. This designation allows for a maximum of four dwelling units an acre. This Final Plat for Southern Trail Section 14 is in conformance with the Low-Density Residential land use designation.

**PLATTING STATUS:** This Preliminary Plat was approved on July 2, 2012. The approval and recordation of this Final Plat will allow the developer to build on the developed lots.

**CONFORMANCE TO THE THOROUGHFARE PLAN:** The subject property is served by Southern Trails Drive and local roads within this development.

**TRAFFIC AND TRANSPORTATION:** A Traffic Impact Analysis has been reviewed and approved by the Engineering Department.

**AVAILABILITY OF UTILITIES:** The subject parcel is served by water and sewer lines from the existing Southern Trails Development.

**PARKS, OPEN SPACE, AND TREES:** Park fees have been paid in full.

**1% INSPECTION FEES:** One percent of the total cost of infrastructure has been paid to the city.

**INFRASTRUCTURE:** The infrastructure for this section of Southern Trails has not yet been completed. A letter of credit has been submitted to the city and approved. This is permitted by the UDC in lieu of completion and acceptance of infrastructure prior to the approval of the final plat.

**STAFF RECOMMENDATION:** Staff recommends approval of the Final Plat of Southern Trails Section 14 as proposed by the applicant, for the following reasons:

1. The proposed subdivision will not cause any adverse impacts on the surrounding properties.
2. This request is in conformance with the comprehensive plan and Land Use and Urban Development Ordinance.
3. This plat is in conformance with the Southern Trails Planned Unit Development.

**MEMORANDUM**

**TO: CITY OF PEARLAND PLANNING & ZONING COMMISSION**

**FROM: MIKE HODGE, ASSISTANT CITY MANAGER**

**DATE: MAY 22, 2013**

**SUBJECT: FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM 2014 - 2018**

*Pursuant to City Charter, the Planning & Zoning Commission (P&Z) is to “submit annually to the City Manager, not less than ninety (90) days prior to the beginning of the budget year, a list of recommendations for capital improvements, which, in the opinion of the commission are necessary or desirable to be constructed during the forthcoming five (5) years. Such list shall be arranged in order of preference, with recommendations as to which projects shall be constructed in which year.”*

On May 6, 2013, Trent Epperson, Director of Engineering and Capital Projects, reviewed the 2014-2018 Five-Year Capital Improvement Program for the City of Pearland with the Board. At that meeting there were no specific recommendations or consensus from the Board to make any changes to the CIP program, nor has staff been contacted since then with any questions or concerns.

Staff will be available to answer any questions the Board may have on the 5-Year CIP. As such, staff is requesting the Board’s consideration and approval to recommend and submit the proposed Five-Year CIP 2014-2018 as reviewed, to the City Manager pursuant to City Charter provisions.
