## V. DISCUSSION

Klaus - Staff rec. on
we need to word S.U. to just inside
Sales, right?
Won't be any outside storage?

Darrin - outside storage wld have to prohibited
in S.U. permit.

Jobin - auto sales is allowed today in "C" zoning
don't need S.U.

Woody - does that mean no outside storage.

~~Darrin~~

Klaus - still needs to be defined in S.U. permit.
Jobin - they were req. S.U. for mini warehouses.
thats it. the single issue.

Woody verified that anything stored has to be stored inside.

Karen + Clarified that is correct.
