A. Dis. - SCR

David Finney LJA - some concern reg. how things are going, trying to work w/staff. trying to address all issues. explained that we've been working w/ standard details of city & working w/ language of PUD.
have monthly staff mtg w/ staff...

Russ - need to address prob. w/ re-occurance & corrections on plat. Mr. Finney explained they are trying to work w/

Russ - recall very basic items.

R. Keller - working it out.

Todd - staff sends you back review & there are still corrections.

Russ - concerned about burden being put on staff. / David - w/ every plat review we've started sending comment forms.

Late - started

that are itemized..

Todd - We are all volunteered & - it is wasting our time to be here. (you're getting paid;

Don't make City staff do yalls job. They get paid a review, make the corrections.

David exp. they are working very hard w/ staff.

Robin point out - he asked David to come (@ monthly meeting) .. wld like to have quart. mtg w/ the commission from here on. they do bring better qual. plats @ volume coming in. working on issues.

Charles - sit on Bd of Pvic. for TIRZ. 2 to 3 wks ago had lunch & echoed opinions of the Commission & he also suggested they come in for update.

Robin explained ~~it wld be easier~~ the process of submittals & he stated it wld be easier to approve of contingencies, then to start whole process over.

~~David - Don~~ relies on staffs rep.
Run - If staff is happy he is happy.

Charles closed disc.
