Ray obstain to any votes due

Don motion to approve
Robert seconded

Don is there an existing traffic problem, any legal ramification

Jobrin - you can zone them, but they will have to do a TIA that pertains to building permits ~~that~~ of the structure.

5-0 approved

(F) Richard Keeler, we do not have problem as long as there is a curb and gutter street.

Jobrin - don't issue a CO, until subdivision is accepted by council.

Ruby
Ray seconded.

Jobrin - Put amenity package in while putting water + sewer in.

Todd - Subdivision in other cities don't final Sub. until built out.

approved - 6-0

(G) Richard
support the variance ✓

Ruby
Shetzl seconded

[illegible] Conversation

[illegible] and note identify lots

Tobin - See ~~B~~ tape about City limit lines of Pearland & Houston.

Trying to do a land swap w/ City of Houston for these lots.

Would like to see protection

Common city limit line, should require a city of Pearland Building permit.

~~[illegible]~~

see tape. Lots

Todd made a motion to add the note for future residents protection
add "amending" word

add lots bothin Pearland & Houston
Lot
