F. Variance Request

RKeller dis w/ Harg. he rec. that this be granted. he st. its not practical to bld sidewalks.
they will pay ___ fee.

Hargrove supports req. contingent upon the dev. paying the fees.

Jamie Cornelius presented set of photos & explained he walked w/ Mr. Ch. Stubbs looking for a place to put these sidewalks.

R. Keller stated Chas. Stubbs is bld field supervt. for Eng. Dept.

Todd -

Rob - concerned that it will be gone.

Todd - this variance include all sidewalks. Jamie - no. just perimeter streets.

Todd: concerned that this variance will be applied in future sections.

Jamie Corn - just req. for Sec. 1

Rob: sidewalk cannot be placed because of Squail?

The Com. agreed they app. they would enter into record that its for only Section one.

Discussion ensued bet Jamie & Rob Sherrer.

- Charles - sidewalk issue along ~~578~~ west side of 578 was that ~~means~~ created a domino

~~Rum~~

Discussion ensued regarding possibility of sidewalks

Don S - what is other options?

Jamie - from Staff's perspective - it is a Toler Lot.

Todd - sidewalks will be lower then road height.

Rob suggested denying the request + putting pressure on developer to bld the sidewalks.

McDonald -

Jamie - the ward connects ~~Indian~~ ditches. he explained to McDonald

McDonald -
do you need both?

Jamie - Mr. Hargrove reques. both. he exp. & asked him to bld the ward after the plat & plans were approved due to summer events.

Charles - for record - Staff does ~~to~~ rec app.
R Keller - yes.

McDonald - concerned about kids playing in street. wednt you want them to be safe.

Jamie - no place to put sidewalks.

Rob - on 8e plat 5 acres - Can't imagine how its impos. to dev. sidewalks. ~~can see on current p~~

Todd - unlike John Lizer Dev. - Sidewalk that dev. was trying to get out of bldg sidewalks. whereas this dev. does have a legitamite reason. ~~At can~~

the other thing is - W/ the growth of veterans - don't believe Veterans is gonna be ~~still~~ for many years.

Russ - asked about the part to the South; and if he wld dev. it - Jamie-Yes

Rob - what it boils down to, we have a statute ~~set~~ which wld allow for dev. to pay ~~to~~ fee rather then

McDonald -

G. Cullen Blvd Land Use Plan.

Charles gave a brief ~~[illegible]~~ speech on where past discussions ~~[illegible]~~

~~Discussion~~

Discussion ensued reg. ~~[illegible]~~ Comp. Plan language.

Todd - stated he wanted Resid. along Cullen. & the nodes as GB.

Charles: all Com rec. GB along Cullen w/ the exception of Todd Fenco.

Ken - in last meeting everyone was in favor of architectural + color overlay district.

Kevin - ~~[illegible]~~ his thought is

Robin - told the Com. they need to focus on their 3 vision for Cullen Blvd.

Charles - going to rec. to staff to use the Masterplan w/ GB on Cullen.

Todd - we dis. how many feet away from the road..

Discussion ensued regard. what type of bus. they wld like to see on Cullen.

Todd - own bus. Cullen should not have bus. like FM518 has.

Rob - want to see something pleasant on Cullen.

Discussion ensued regarding the main roads into Pearland, and how they want them to like.

Jim Lon. agreed they wld like the SF footage of the depth on both sides of Cullen should be ~~the same~~ symmetrical as GB.

Tobin pld out that need to review the whole colored area.

The Com. agreed to leave out Industrial

Todd wld. agree w/ bus. or Cullen but not big red chunk of bus on

Discussion

Todd not to let sl off

C & B area on Cullen. nothing on S side of Mallard to West. & eliminate Com off Mallard. & have it residential. Run 2nd

Todd rescinded & Run 2nd

proposal - Todd not to vote; Bond to vote

Rob. suggested 2 proposals, & having the Com. vote on them.

The Todd "A"

The Bob.
